5-Day German Language Challenge Oct 12 2020 Take Your "5-Day German Language Challenge" Learn German In 5 Days Why are you reading this? Because: - You want to speak the secret gem language of the United States. - You want to expand your professional network and reach in Europe. - You want to be able to travel to the many countries that speak German. - You want to study abroad for cheap or free college education in Germany. - You want to have the easiest and fastest way to study German for beginners. German is the most opportune language that you can learn. Why? Did you know that it is the most widely spoken language in Europe, as well as has a strong speaker base in North America? In other words, it can unlock many hidden doors for you professionally at work and expand yourself personally at home and in life. Let ' s look at some of the most advantageous reasons to why you should learn German: Employment Edge — This one is obvious. Someone

who is bilingual is going to be more desirable at a job than someone who only speaks one language. Germany is a huge economic player when it comes to Europe and a large one across the globe as well. Knowing German will give you a secret edge in the professional sphere. Education Benefit — Did you know that most of the universities in Germany are free to attend? Even if they aren't completely free, their price is a lot more affordable than in the United States and other places. When you learn German, you can have the opportunity to travel to Germany and enjoy the benefit of having a free or low-cost education. Personal Relationship — Do you have a family relative, a close friend, or a romantic partner who speaks German? Wouldn't it be nice to be able to communicate with them? Not only that but if they live in Germany, then you can use it for when you go and visit them and show off your newfound knowledge. Travel Convenience — If you're traveling to Europe, German's one of the most prevalent languages spoken there. In fact, it's the official language of countries such as Austria, Belgium, Liechtenstein, Luxemburg, and Switzerland. So you won't just be able to use it when you're traveling to Germany, but if you go to Switzerland for a skiing vacation, you'll be in good company. Simple Language — Unlike other languages like Italian, Spanish and French, which are romantic languages, German belongs to the same Germanic language tree as English, making it surprisingly easier to learn than most people may think. There are even German words that are used in English to this day such as "angst" and "kindergarten." Not only that but once you learn German, if you want to learn another language such as Danish, Dutch, Norwegian or Swedish, it will make it a lot easier. Do you still need more convincing to pick up the German language? There are just a ton of advantages to knowing German. The "5-Day German Language Challenge" will open up that whole new world for you to enrich your life faster than you may ever know possible.

She Reads Truth Jun 07 2020 She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and

His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

LANGUAGE HACKING GERMAN (Learn How to Speak German - Right Away) Nov 24 2021 Crack the Code and Get Fluent Faster! "I had to learn [a new language] in a handful of days for a TV interview. I asked Benny for help and his advice was invaluable." - Tim Ferriss What if you could skip the years of study and jump right to speaking German? Sound crazy? No, it's language hacking. It's about learning what's indispensable, skipping what's not - and using what you've learned to have real conversations in German - from day one! Unlike most traditional language courses that try to teach you the rules of a language, Language Hacking German, shows you how to learn and speak German immediately through proven memory techniques, unconventional shortcuts and conversation strategies perfect by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. The Method Language Hacking takes a modern approach to language learning, blending the power of online social collaboration and the 80/20 principle of learning (Benny's ten #languagehacks show you how to achieve more with less!). It focuses on the conversations and language that learners need to master right away, rather than presenting language in the order of difficulty like most courses. This means you can start having conversations immediately. Course Features Each of the 10 units culminates with a speaking mission that you can choose to share on the italki Language Hacking learner community (www.italki.com/languagehacking) where you can give and get feedback and extend your learning beyond the pages of the book. The audio for this course is available for free on library.teachyourself.com or from the Teach Yourself Library app. You don't need to go abroad to learn a language any more.

Modern German Grammar Aug 02 2022 Modern German Grammar: A Practical Guide, Third Edition is an innovative reference guide to German, combining traditional and function-based grammar in a single volume. The Grammar is divided into two parts. Part A covers grammatical categories such as word order, nouns, verbs and adjectives. Part B is organised according to language functions and notions such as: making introductions asking for something to be done delivering a speech possibility satisfaction. The book addresses learners' practical needs and presents grammar in both a traditional and a communicative setting. New to this edition, and building on feedback from the previous edition: The rules of the latest (and so far final) spelling reform have been implemented throughout. Examples of usage have been updated and consideration given to Swiss and Austrian variants. The chapter on register has been expanded and now includes youth language and frequently used Anglicisms in German. The Index now has even more key words; it has also been redesigned to differentiate between German words, grammar terms, and functions, thus making it more user-friendly. The Grammar assumes no previous grammatical training and is intended for all those who have a basic knowledge of German, from intermediate learners in schools and adult education to undergraduates taking German as a major or minor part of their studies. The Grammar is accompanied by a third edition of Modern German Grammar Workbook (ISBN 978-0-415-56725-1) which features exercises and activities directly linked to the Grammar. Ruth Whittle is Lecturer, John Klapper is Professor of Foreign Language Pedagogy, Katharina Glöckel is the Austrian Lektorin and Bill Dodd is Professor of Modern German Studies – all at the University of Birmingham. Christine Eckhard-Black is Tutor and Advisor in German at the Oxford University Language Centre.

Train Up a Child Jul 29 2019 Train Up a Child explores how private schools in Old Order Amish communities reflect and perpetuate church-community values and identity. Here, Karen M. Johnson-Weiner asserts that the reinforcement of those values among children is imperative to the survival of these communities in the modern world. Surveying settlements in Indiana, Michigan, Ohio, Pennsylvania, and New York, Johnson-Weiner finds that, although Old Order communities have certain similarities in their codes of conduct, there is no standard Old Order school. She examines the choices each community makes—about pedagogy, curriculum, textbooks, even school design—to strengthen religious ideology, preserve the social and linguistic markers of Old Order identity, and protect their own community's beliefs and values from the influence of the dominant society. In the most comprehensive study of Old Order schools to date, Johnson-Weiner provides valuable insight into how variables such as community size and relationship with other Old Order groups affect the role of these schools in maintaining behavioral norms and in shaping the Old Order's response to modernity.
