**Legends and Lore of South Carolina** Jul 21 2021 This new collection of eighty strange and unusual South Carolina legends is rooted in the state's deep history. Some originated centuries ago, such as the Agnes of Glasgow story in Camden and that of the ghostly dwarf jester Gauche, said to haunt a Beaufort mansion. Certain places hold secrets from different eras, including White Wolf Road in Blacksburg and the state's numerous historic cemeteries like the one at Salem Black River Church in Mayesville. These pages also contain simple explanations for local lore, like the Gullah tradition behind blue bottle trees that still decorate Carolina gardens today. **The Lore of the Playground** May 31 2022 From conkers to marbles, from British Bulldog to tag, not forgetting 'one potato, two potato' and 'eeny, meeny, miny, mo', *The Lore of the Playground* looks at the games children have enjoyed, the rhymes they have chanted and the rituals and traditions they have observed over the past hundred years and more. Each generation, it emerges, has had its own favourites - hoops and tops in the 1930s, clapping games more recently. Some pastimes, such as skipping, have proved remarkably resilient, their complicated rules carefully handed down from one class to the next. Many are now the stuff of distant memory. And some traditions have proved to be strongly regional, loved by children in one part of the country, unknown to those elsewhere. All are brilliantly and meticulously recorded by Steve Roud, who has drawn on interviews with hundreds of people aged from 8 to 80 to create a fascinating picture of all our childhoods.

Lore of Light Jul 01 2022 In a narration of Imam Ahmad, Abu Dharr asked Prophet Muhammad, "O Messenger of Allah, how many are the prophets?" He replied, "120,000 and between their number are 315 messengers." The Holy Quran mentions twenty-five of these messengers, namely: Adam, Noah, Abraham, Ishmael, Isaac, Jacob, David, Solomon, Job, Joseph, Moses, Aaron, Zacharia, John (the Baptist), Idris (Enoch), Jonah, Hud, Shuayb, Salih, Lot, Ilyas, Ilyasa, Dhu 'l-Kifl, Jesus and Sayyidina Muhammad, peace be upon them all. These are the messengers of God who came with holy books containing the Divine Message. The others are prophets who received divine revelation but who were not ordered to deliver it to anyone; it was for them. By way of example, all of Jacob's sons were prophets, but Joseph was the only messenger from among them. Laboriously compiled from rare manuscripts, traditional Islamic texts, and other printed source material, including ahadith and athar and the many traditional books of history, and painstakingly translated from Ottoman Turkish to English, *Lore of Light* depicts the perfected, blessed character and refined manners that God bestowed on His blessed prophets and messengers. This illustrious work examines the lives of the prophets and messengers of God in great detail, heretofore unknown in English literature on their lives. It depicts the great lengths to which these holy figures went - at times losing life, suffering humiliation, torment and abuse from those who opposed them, often leaving their homes, always tolerant of their attackers and seeking peace - to guide the many peoples and nations of the world towards the light which God has sent throughout time for humankind's betterment and upliftment.

**The World of Lore: Monstrous Creatures** Jan 15 2021 A fascinating, beautifully illustrated guide to the monsters that are part of our collective psyche, featuring stories from the Lore podcast—now a streaming television series—including "They Made a Tonic," "Passed Notes," and "Unboxed," as well as rare material. They live in shadows—deep in the forest, late in the night, in the dark recesses of our minds. They're spoken of in stories and superstitions, relics of an unenlightened age, old wives' tales, passed down through generations. Yet no matter how wary and jaded we have become, as individuals or as a society, a part of us remains vulnerable to them: werewolves and wendigos, poltergeists and vampires, angry elves and vengeful spirits. In this beautifully illustrated volume, the host of the hit podcast Lore serves as a guide on a

fascinating journey through the history of these terrifying creatures, exploring not only the legends but what they tell us about ourselves. Aaron Mahnke invites us to the desolate Pine Barrens of New Jersey, where the notorious winged, red-eyed Jersey Devil dwells. He delves into harrowing accounts of cannibalism—some officially documented, others the stuff of speculation . . . perhaps. He visits the dimly lit rooms where séances take place, the European villages where gremlins make mischief, even Key West, Florida, home of a haunted doll named Robert. In a world of “emotional vampires” and “zombie malls,” the monsters of folklore have become both a part of our language and a part of our collective psyche. Whether these beasts and bogeymen are real or just a reflection of our primal fears, we know, on some level, that not every mystery has been explained and that the unknown still holds the power to strike fear deep in our hearts and souls. As Aaron Mahnke reminds us, sometimes the truth is even scarier than the lore. The World of Lore series includes: **MONSTROUS CREATURES • WICKED MORTALS • DREADFUL PLACES**
