Thoughts from the Cradle Dec 26 2021 Dr. Kirk Milhoan spent two tours in Iraq during 2005 and 2007. He served as a flight surgeon at Balad Air Base Iraq where he cared for hundreds of wounded soldiers and prepared them for air evacuation. This book is a collection of essays he wrote during his deployments in which he honestly shares his thoughts, emotions, and frustrations of being a Christian military physician in harm's way. He also shares what God taught him as he sought to apply God's Living word to his daily life in a war zone. In vivid imagery, he allows you to walk with him in the intensive care units, you are taken aboard a Blackhawk Helicopter to transfer the wounded enemy. You will have a chance to cry with him as he describes the very best and worst acts of men and what happens to children when they are caught in between. Kirk A. Milhoan, became a Christian through the ministry of Youth for Christ when he was 15. He received a double major in Biology and Chemistry from Point Loma Nazarene University in 1986, a PhD from University of California at San Diego in: Cardiovascular Physiology and Pharmacology in 1991. He entered Jefferson Medical College in 1992 and received his MD in 1996. In 2002, he completed his medical training after finishing his fellowship in Pediatric Cardiology at UCSD/ Children's Hospital of San Diego. Since then he has been serving as a pediatric cardiologist and flight surgeon with the United States Air Force. His passion is sharing the gospel of Jesus Christ through word and deed and together with his wife Dr. Kimberly Milhoan started an organization, For Hearts and Souls, which is dedicated to sharing Christ's love through medical outreach. ["Thoughts From Within" and Other Poems](#) Aug 22 2021 This collection of poems honors the Everyday: a mother's birthday, a grandparent's passing, a broken heart, the students she advocates for and supports in their own artistic quests.

Scattered Thoughts from a Scattered Mind Jan 27 2022 David Mills lives within the aboriginal populace of St. Augustine, Florida in a small rented room on Anastasia Island. He spends his days writing, looking for sea shells, and surfing whenever possible. As night falls, you can find him playing bongos and singing karaoke in a neighborhood bar. Critical Praise for Scattered Thoughts Unfortunately, to date, there has been none. We do, however, continue to hope. We have been told that actress Michelle Pfeiffer considers Scattered Thoughts one of her top five must-reads but this has not been confirmed at press time.

A Book of Golden Thoughts May 19 2021 This is a reproduction of the original artefact. Generally these books are created from careful scans of the original. This allows us to preserve the book accurately and present it in the way the author intended. Since the original versions are generally quite old, there may occasionally be certain imperfections within these reproductions. We're happy to make these classics available again for future generations to enjoy!

A Collection of Thoughts from a Scattered Mind Dec 14 2020 Hello. My name is Rylan. I see you've found your way here. That's wonderful. I suppose you're interested in learning a bit more about why you should buy this book, as that's what you've been trained to expect. Well, I better respect the structure, and I'll try not to waste any more of your time. In short, this book is a story of a human, alive in a place, at a time, doing things and having thoughts. This book is an attempt to put down in words the way in which my mind works, in exhaustible and sometimes excruciating detail. It's also my attempt to try and understand the world around me, and more specifically, to find a structure to express that. Basically, this book is my attempt at writing, in the purest form--writing for the pleasure of putting one word after another, and writing for developing the skill of capturing thought, and writing as a form of creative expression, and writing as catharsis. You may find some parts humorous, others sad, some shocking, some boring, others grotesque, uncomfortable, enraging, and some probably even embarrassing. In fact, I hope you do, as I felt all of those emotions at one point or another during the process. I think we all do. I've been endlessly fascinated by the way in which each individual perceives reality, as we all share similarities in the stimuli we're exposed to. I like to read books in which you feel as though you've lived another life. Purchasing this book is akin to wearing my skin. It's renting my eyes and leasing my mind. Purchasing this book will also afford me time to try again. I don't know if I succeeded this time around, and I may not ever. Art is an elusive creature. I know that I did the best I could given my current abilities and the time I was afforded. That's all we can ever do, I suppose. But, I do hope one day to reach out on that branch and catch Art, even if only fleeting. To catch that wild beast and hold on, fist full of her mane, hoofs pounding beneath us, carrying us as far as the eye can see from blue ridged mountains over waves of amber grain... sorry. Anyway, even if the farthest you get is reading this, I thank you. If you purchase this book, I thank you most graciously. I thank you for helping me. But, more than thanks, I have hope. I hope that you enjoy getting lost in the tumultuous seas of my mind and come from the voyage a stronger sailor; having wrestled storms, and hot, lazy, hazy, calm and whatever else... it's March, 12, 2017... I still have so much editing to do and am getting side tracked again...P.S. Wondering what this book is about caused you to read these words, which were written by this author, to try and get you to read their book. You pause, look up from your screen, and see what's before you. Same old stuff. If you purchase this book (and read it) you may look at that same old stuff a bit different. Or, maybe not. You might be beyond help; a sad, lost, little soul idly flipping through Kindle books hoping to uncover the next sizzling, summer, bad boy next door romance "novel". Well, you're in the wrong spot, my friend. There's a bit of a love story tangled somewhere in this mess, but it isn't necessarily tantalizing. I'd suggest you check out... well, I'd better not do that here. P.P.S. There were no corporate henchman looking over my shoulder. This is unedited, traditionally. It's a bit like an unfiltered beer or sake. It's still made with all the same love and care, more even, really; the words have been hammered into place over months of grueling labor, yet, and again, I warn you, it's still unpasteurized; it's still raw. It's a living culture: a kombucha. If you don't like it, if you prefer homogenized, corporatized, pasteurized, lifeless garbage, then don't pay the ten dollars. I'll be fine. But, if you want to taste something different; if you want to live another life; if you want to escape your fleshy shackles; if you want to spend some time inside my skin, then buy the ticket and take the ride.

30 Thoughts from a Christian Yogi May 31 2022 What is Christian yogi? Can a person be both Christian and a yogi? Isn't devotion to yoga contrary to practicing Christianity? Adams' brief but powerful work provides us with a lens through which we can observe just such a person. Throughout, we see that, not satisfied with settling for less than all she can squeeze out of this life, Adams stretches herself, her beliefs, and her spirit, as she demands fullness, presence and truth. To seek this in oneself and in others is a hallmark of the devoted yogi. The writings are strategically placed with beautifully captured images. This book will encourage your thoughts to go beyond the physical, give insight on perceptions of life during trying times, challenge limitations you may have, and keep you coming back to read over and over again.

Ponder with Canaan: Thoughts from a Clear City Night Apr 29 2022 This is a collection of through provoking essays and articles. Author Canaan W.E.J. Robinson writes about what makes him and many other American citizens think. Canaan W.E.J. Robinson also uses engaging exercises created to drive a thought even further into the readers psyche.

In My Thoughts Nov 24 2021 Kendra's second book of poetry, In My Thoughts: Open Book, Take Notes is a closer look into the thoughts that invade someone's life. Walk with Kendra through life's journey and experience the moments that invade one's soul. "Life" has a funny way of creating chaos for us to endure, it's up to us to decide if we want to live in our thoughts or live through our thoughts. Thoughts have the ability to consume our lives and take us to places that we are afraid to experience. Author, Kendra, will leave you with notes that will be straightforward or take you on a journey that will leave you speechless. Enjoy the ride, because this is an open book so take notes. Poetry, prose, notes and short stories. "I have to write from a place deeper than the feelings just in my soul." Kendra

Thoughts from a Mountain Aug 10 2020 This compilation of poetry/works is a heartfelt account of life in the eyes of the author. This book has been designed with love, hope and forgiveness to put into words what often is lost through life experience from the University of Life.

Scattered Thoughts from a Scattered Mind Mar 05 2020 "The man who finds a wife finds a good thing; she is a blessing to him from the Lord." - Proverbs 18:22

What is Healing and Growth? Thoughts from Freud Jun 19 2021 This book spells out exactly what happens within the personality when psychotherapy is successful. Much of the answer has long been written between the lines of Freud's seminal

works, awaiting their coming together and integration. The book considers what changes within various psychic systems and how these are functions of the underlying disorders are spelled out for neurotic, borderline and psychotic illnesses. The result is the identification of another vein of ore in Freud's ideas that clarifies the healing aspects of his model, and adds a new level of precision to the therapeutic process. Freud's writings on the nature of healing and growth take second place to his ideas on the structure of the personality and pathology. His well-defined ideas on the mechanism of healing and growth are scattered across his writings and rarely, if ever, drawn together into a unified presentation. His following has deeply explored the meanings of his seminal ideas when it comes to theory and practice, but is short in the area of what actually takes place within successful psychotherapy. This text's effort to gather up and unify his thoughts in this area results in both theoretical and therapeutic gains, the former for clarifications of how various psychic systems function within healing and growth, and the latter because of a more exact identification of the signs of it.

Thoughts from a Christian Woman Aug 02 2022 This book of poems has been written over a course of time in my life, and it expresses my thoughts as I have traveled along the path which God has led me. I have tried to write about the good times and the bad times as I have experienced them. I have also tried to include the up and down periods of my life, the experiences I've had, some of the people I've met and the friends I've made as I have taken my journey across time. I hope through these poems you will see how your own thoughts sometimes were much like mine except you didn't put your thoughts into words. I hope these poems inspire you in a way that they will touch your heart and draw you closer to God.

www Feelings Dec 02 2019 Most people are afraid to express what truly goes through their mind on a daily basis. Afraid of being embarrassed or labeled weird, random, emotional, or just plain misunderstood. This book was written with the intentions of getting just those type of labels. At some point we all must speak on the things that no one wants to discuss and at some point we all have to express ourselves even if it is on paper in the most random format. This book had no editors, no reviews, and no formal process of being produced. It's just plain... random.

Thoughts from a Tree Stand Jan 03 2020 Thoughts from a Tree Stand is a compilation of forty-nine years of enjoying God's great wonders. So many hours spent afield wisdom as evidenced in nature. To those of you who have walked the forest and woodlots I give to you these "Thoughts from a Tree Stand"

101 Thoughts from the Word: Feb 02 2020 From God's mouth to the hearts of his people - this is the function of the Bible and is the reason it is called the Word of God. The Bible applied to the heart by the Holy Spirit is the chief means by which men are built up and established in the faith, after their conversion. It is able to cleanse them, sanctify them, to instruct them in righteousness, and to furnish them thoroughly for all good works (2 Tim. 3:16-17) (J. C. Ryle. After many years of anger against God, the author was wonderfully restored by the Lord to himself and laid the burden of this ministry on his heart. Every week for the past fourteen years, TFTWs (Thoughts from the Word) have been sent via the Internet to God's people throughout the world. Many similar thoughts may be found at www.onhisshoulders.com. The thoughts contained in this volume are published with the sincere prayer that God will use them to refresh and encourage the souls of his people. Thoughts from a Journal on Christian Living May 07 2020 For the past thirty-five plus years in keeping a journal of the things God has pointed out to me, I've learned his process of salvation, obedience, and serving him. Receiving our salvation in Jesus Christ is a beginning with our names being written in the pages of heaven. We must not linger too long on our comfort of knowing Christ. We are meant to seek out God's plan for our lives, to serve him in the ways he desires. The Holy Spirit is

ready and waiting for us to invite him in, for him to assist us in leading a life of witness and actions, all to the glory of God. Obedience to God shows our willingness to worship and serve our living savior.

Simple Poems and Thoughts from a Simple Mind Mar 29 2022 My reason for writing this book is purely selfish. I want to be remembered long after I'm gone. It will also give my children and theirs, an insight to my mind that few have seen. I also want to believe that there is someone out there who may be inspired to follow their dream, because if I can do it, anyone can.

2am Thoughts Apr 05 2020 The poetry of 2am Thoughts condenses an entire relationship with its untamed emotions and experiences to a single day. As the long hours of the night drag on, so does the love, heartache, and loss. When the dawn breaks, the morning sun brings acceptance, healing, and recovery.

Thoughts and Feelings from a Reflective Old Mind Oct 24 2021 As the title suggests, the stories and poems included in this work express the inner feelings of an older, retired gentleman as he describes the experiences in his life from his earliest memory. Some are humorous, emotional, patriotic, and inspiring as he shares his thoughts with others who have had similar events. They are intended to bring out the same feelings that his readers have known and to alert younger readers about the adventures that may lie ahead for them.

Thoughts From the Seat of the Soul Jul 21 2021 The Journey Toward Authentic Power Thoughts from the Seat of the Soul is a beautiful collection of carefully chosen excerpts from Gary Zukav's celebrated bestseller The Seat of the Soul. Slip this lovely little book into your purse or bag and take it with you wherever you go. Turn the pages as you are drawn -- you can be inspired every day or once an hour, or you can meditate on your favorite thought all month. Use it as an oracle, or to stimulate deeper insight, joy, and appreciation of your life and the lives of others. This powerful volume is for those who are growing in consciousness and for those who want to. It is the perfect gift for someone you love or for yourself.

Random Thoughts from the Road Sep 30 2019 This collection of poetry, prose and journal excerpts was composed during a fifteen year period that I was mostly nomadic. I traveled at least six months a year, each year, and preferred overland journeys (at the end of this collection is my travel bio). I've left the writings in their original state, in the hopes that they will convey the feelings of the time better not cleaned up. Thanks for taking the time, and sharing the road with me. Sincerely yours, Robert DeMayo

"Little" Thoughts for the Day Apr 17 2021 A book of daily spiritual encouragement for elementary school children, written by a dedicated Christian educator. As a principal at a Christian elementary school, Joyce O'Bryant would start each morning by greeting her students over the intercom with a prayer and an inspiring thought for the day. Those thoughts and prayers became the basis for this book: a source of Christian encouragement and motivation aimed at pre-school to fifth grade students, speaking to the issues many students deal with on a daily basis throughout the school year. "Little" Thoughts for the Day can be used by elementary administrators and teachers to help students start their days with uplifting thoughts, or by parents who wish to share the thoughts with their children before they leave for school each day. Formatted according to the school year calendar, "Little" Thoughts for the Day includes thoughts relating to various holidays and school activities that make a "big" difference for their young ones.

Plenty Thoughts from an Empty Brain Aug 29 2019 "Plenty Thoughts from an Empty Brain" is a book about thoughts that were learned by a brain that was empty from the time it was an infant until it matured and again, as well as other factors. It's something we gain knowledge about various contexts, so the book contains a collection of knowledge on random thoughts and aspects and this will continue as long as the brain exists.

A Book of Bliss Jun 27 2019 Bliss is serene happiness -- the goodness and joy in life. These paired quotes and contemplations are sure to bring peace to a reader's soul and warmth to the heart. "Anyone can have friends, but being a friend is an achievement." "Blessed is the influence of one true, loving human soul on another." -- George Eliot "Tea is great on its own, but it's infinitely better when coupled with a book." "Some say life is the thing, but I prefer reading." -- Ruth Rendell "Embrace life's passions, but seek lasting contentment." "If you are content, you have enough to live comfortably." -- Plautus More than 150 upbeat thoughts and quotations, in a new giftable package perfect for cheering a friend or loved one

Sought Thoughts Nov 12 2020 For years, Earl Patterson was his own worst enemy. Though he was able to overcome numerous obstacles in life and maintain a high opinion of himself, when it came to playing football, rocking rhymes, and excelling in school, he tricked himself into believing that mediocrity was OK, and bullied himself into looking at the world

through a warped lens set to someone else's view of the world. It wasn't until later in life that Patterson was able to correct his vision of the world, and of himself, and approach life's challenges as paradigm shifts that can ultimately make or break us in the end. Choosing the former approach, and calling upon his years of experience as the leader of a rap/rock group, Patterson set down his life experiences in poetry, to help others overcome obstacles and inspire them to stop bullying themselves. The poems that comprise this compelling collection are honest, raw, and real, and they flow together seamlessly to deliver both a highly personal story and a set of universal truths that will comfort readers and give them a sense of freedom, encouragement, and hope. Poignant, powerful, and profound, Sought Thoughts is a must-read for people who want to expand their horizons through candor and rhyme.
