But Vianne is no more a noblewoman, she is the Queen of Arquitaine, faced with treachery, invasion, war, and a Consort whose secrets may well shatter their marriage. For before Tristan was hers, he belonged to a King...and that King died by Tristan's hand. Arquitaine needs them both. The country is locked in a deadly game whose rules change by the moment. The Queen is an adept player, but hardly ruthless enough. The contest requires a man who has nothing to lose, a man who has already done the worst and will continue to do so for his wife, his country, and his own salvation. *The Bandit King* approaches... The Damnation Affair Jan 05 2021 The West is a wild place, where the poison wind blows and the dead walk. But there is gold, and whiskey, and enough room for a man to forget what he once was--until he no longer can. Jack Gabriel's been the sheriff in Damnation almost since the town grew out of the dust and the mud. He keeps the peace--sort of--and rides the circuit every dawn and dusk with the chartermage, making sure the wilderness doesn't seep into their fragile attempt at civilization. Away from the cities clinging to the New World's eastern rim, he doesn't remember what he was. At least, not much. But Damnation is growing, and along comes a schoolmarm. Catherine Barrowe is a right proper Boston miss, and it's a mystery why she would choose this town where everything scandalous and dangerous is probably too much for a quality lady like her. Sometimes the sheriff wonders why she came out West--because everyone who does is running from something. He doesn't realize Cat may be prickly, delicate, and proper, but she is also determined. She's in Damnation to find her wayward older brother Robbie, whose letters were full of dark hints about gold, trouble...and something about a claim. In a West where charm and charter live alongside clockwork and cold steel, where hot lead kills your enemy but it takes a blessing to make his corpse stay down, Cat will keep digging until she finds her brother. If Jack knew what she was after, he could solve the

mystery--because he was the one who killed Robbie. The thing is, Cat's brother just won't stay dead, and the undead are rising with him... Hunter, Healer Jun 17 2019 Their first mistake? Kidnapping her lover. Their second? Thinking she wouldn't do something about it. The black-ops government agency known as Sigma has shattered the

resistance, destroyed its infrastructure, and taken its best operative captive. It's about as bad as it can get, but Sigma's forgotten one thing: Rowan Price. Rowan is no longer a civilian in the shadow war. Her talents are fully trained, and she's become something she never dreamed of--a cool, clinical, lethal psionic operative. Working as Henderson's second-in-command, she's utterly focused on two things: repairing the Society's infrastructure and rescuing Justin Delgado. Yet under her shell of calm and gentleness, her rage is simmering . . . and it's about to break loose. Delgado knows he can't remember something important. He puts up with Sigma's beatings and questioning, the pain and the torture. Sigma keeps asking him the same question--where is Rowan Price? He doesn't know who this woman is or where she is, but if he can escape Sigma one more time, he's damn sure going to find out. Because Price, whoever she is, holds the key to his fractured memories and destroyed soul. But first, he has to get out. Then he'll find Rowan Price. Unfortunately, that may be the one thing Sigma's counting on. The Iron Wyrms Affair Mar 27 2020 Emma Bannon, forensic sorceress in the service of the Empire, has a mission: to protect Archibald Clare, a failed, unregistered mentath. His skills of deduction are legendary, and her own sorcery is not inconsiderable. It doesn't help much that they barely tolerate each other, or that Bannon's Shield, Mikal, might just be a traitor himself. Or that the conspiracy killing registered mentaths and sorcerers alike will just as likely kill them as seduce them into treachery toward their Queen. In an alternate London where illogical magic has turned the Industrial Revolution on its head, Bannon and Clare now face hostility, treason, cannon fire, black sorcery, and the problem of reliably finding hansom cabs. The game is afoot. . .

The Red Plague Affair Oct 14 2021 The service of Britannia is not for the faint of heart--or conscience... Emma Bannon, Sorceress Prime in service to Queen Victrix, has a mission: to find the doctor who has created a powerful new weapon. Her friend, the mentath Archibald Clare, is only too happy to help. It will distract him from pursuing his nemesis, and besides, Clare is not as young as he used to be. A spot of Miss Bannon's excellent hospitality and her diverting company may be just what he needs. Unfortunately, their quarry is a fanatic, and his poisonous discovery is just as dangerous to Britannia as to Her enemies. Now a single man has set Londinium ablaze, and Clare finds himself in the middle of distressing excitement, racing against time and theory to find a cure. Miss Bannon, of course, has troubles of her own, for the Queen's Consort Alberich is ill, and Her Majesty unhappy with Bannon's loyal service. And there is still no reliable way to find a hansom when one needs it most... The game is afoot. And the Red Plague rises. By Blood We Live Apr 27 2020 From Dracula to Buffy the Vampire Slayer; from Castlevania to Tru Blood, the romance between popular culture and vampires hearkens back to humanity's darkest, deepest fears, flowing through our very blood, fears of death, and life, and insatiable hunger. And yet, there is an attraction, undeniable, to the vampire archetype, whether the pale European count, impeccably dressed and coldly masculine, yet strangely ambiguous, ready to sink his sharp teeth deep into his victims' necks, draining or converting them, or the vamp, the count's feminine counterpart, villain and victim in one, using her wiles and icy sexuality to corrupt man and woman alike... Edited by John Joseph Adams (Wastelands, The Living Dead), By Blood We Live gathers together the best vampire literature of the last three decades from many of today's most renowned authors of fantasy, speculative fiction, and horror, including Stephen King, Joe Hill, Garth Nix, Neil Gaiman, Kelley Armstrong, Ken Macleod, Harry Turtledove, Carrie Vaughn, and Tad Williams.

As a liquidation agent, Josiah knows everything about getting out of tough situations. He'll get whatever she's carrying to the proper authorities, then settle down to making sure she doesn't leave him again. But the story Anna's stumbled into is far bigger than even Josiah suspects.
