Simon Wiesenthal Sep 30 2019 With 16 pages of black-and-white illustrations Now in paperback, the first fully documented biography of the legendary Polish-born Nazi hunter—a revelatory account of a man whose life, though part invention, was wholly dedicated to ensuring both that the Nazis be held responsible for their crimes and that their destruction of European Jewry never be forgotten. Within days of being liberated from the Mauthausen concentration camp, Simon Wiesenthal had assembled a list of nearly 150 Nazi war criminals, the first of dozens of such lists he would compile over a lifetime as a Nazi hunter. A hero in the eyes of many, Wiesenthal was also attacked for his unrelenting pursuit of justice for crimes committed in a past that many preferred to forget. With access to Wiesenthal's private papers and to American, East German, and Israeli government archives, Tom Segev sheds new light on Wiesenthal's most closely guarded secrets: his true role in the capture of Adolf Eichmann, his connection to Isreal's Mossad, his controversial investigative techniques, his unlikely friendships with Kurt Waldheim and Albert Speer, his rivalry with Elie Wiesel—making clear that the truth of Wiesenthal's existence was far more complex and compelling than the legends (often of his own making) that surrounded him.

Never Date Your Ex Oct 12 2020 She's the one woman I'd give anything to forget—and now I'm stuck living with her. I'm making a fresh start in Lake Tahoe, until my stubborn sister decides to move Mira into our cabin. I'll be damned if I move out on Mira's account. Nothing has changed in the years since I last saw Mira. Her tempting body and smart mouth taunt me daily. The only hope I have at keeping my sanity is the knowledge that Mira is hiding something. Sooner or later I'll discover her secret, and knowing her, it'll be damning. But first, I have to ignore the urge to kiss and touch and make Mira mine again. --EXCERPT-- I grab her waist, guiding her back against the shelves. She kisses my cheekbone, nibbles my earlobe. "We can't do this here." That nibble shoots straight to my groin. "I beg to differ. I think we can manage." Once the walls come down, emotions run hot.
