Attached Jul 13 2021 Is there a science to love? In this groundbreaking book, psychiatrist and neuroscientist Amir Levine and psychologist Rachel S. F. Heller reveal how an understanding of attachment theory—the most advanced relationship science in existence today—can help us find and sustain love. Attachment theory forms the basis for many bestselling books on the parent/child relationship, but there has yet to be an accessible guide to what this fascinating science has to tell us about adult romantic

relationships—until now. Attachment theory owes its inception to British psychologist and psychoanalyst John Bowlby, who in the 1950s examined the tremendous impact that our early relationships with our parents or caregivers has on the people we become. Also central to attachment theory is the discovery that our need to be in a close relationship with one or more individuals is embedded in our genes. In *Attached*, Levine and Heller trace how these evolutionary influences continue to shape who we are in our relationships today.

According to attachment theory, every person behaves in relationships in one of three distinct ways: *ANXIOUS people are often preoccupied with their relationships and tend to worry about their partner's ability to love them back. *AVOIDANT people equate intimacy with a loss of independence and constantly try to minimize closeness. *SECURE people feel comfortable with intimacy and are usually warm and loving. *Attached* guides readers in determining what attachment style they and their mate (or potential mates)

follow. It also offers readers a wealth of advice on how to navigate their relationships more wisely given their attachment style and that of their partner. An insightful look at the science behind love, Attached offers readers a road map for building stronger, more fulfilling connections.

male mind and long to figure out how to make your man the happiest male on the planet? We have the secrets you need to find success with the less-fair sex. We can help you get into your man's mind mentally, by explaining how the male mind works differently from the female mind. We've interviewed hundreds of men and also read scientific texts in order to explain what men think about sex and how to help you think like a man (or at least understand how your man thinks). The biggest sex organ of all is the brain, after all! We will also help you learn how to communicate directly with your

man; many problems in relationships stem from a lack of effective communication. Did you know that this is largely because men and women process information differently and in term express it differently? This book will explain to you how and why this happens, and what you can do to avoid it! We also have done a considerable amount of research on the emotions of men, and how they are both similar and different to a woman's emotions. Once you understand your man's mental profile, you'll be able to communicate with him more effectively and in

terms and language that he will understand. Once you understand how to emotionally communicate with a man, you'll find that many of your communication problems will disappear. Once you create an environment of safety in your relationship, you'll find that figuring out what your man needs is easier than ever. With this ebook, you'll find that understanding your man's emotions is much easier than you ever thought - you may even surprise him! Finally, we'll also talk about the actual physicality of sex. A lot of people end up in a rut with their sex lives, and this can spell the death of

Satisfaction Guaranteed Sep 15 2021 For fans of Casey McQuiston and Abby Jimenez comes a bold, hilarious, and out-of-the-box novel about mixing business with battery-operated pleasure . . . When it comes to her career, Cade Elgin has it all figured out. Only “professional talk”

has become her default mode, relationships are nonexistent, and don't even mention the word “orgasm.” All work and no play makes Cade a dull human. But when she inherits a sex toy store, Cade is caught between business and a store filled with every imaginable kind of pleasure—including her infuriatingly irresponsible and deliciously sexy new co-owner. Selena Mathis learned the hard way that she can have too much of a good thing. Which is precisely why she's taken an oath of celibacy and is focusing on how to make Satisfaction Guaranteed a success. She won't mess this up. Not

this time. But once again, Selena's emotions are getting in the way and tempting her with a serious attraction to buttoned-up Cade. But the shop isn't exactly vibe-ing, and Cade and Selena are on the verge of losing both their income and the possibility of love. Can they find a way to work together . . . before Satisfaction Guaranteed runs out of batteries? **The Quick and Dirty Way to Design and Print Your Own Sex Toys (and Other Things)** Feb 26 2020 With the help of this book, you will be able to make your ideas real. Sex Toys 101 Dec 06 2020 Practical and authoritative, yet playful and accessible, *Sex Toys 101* tells you everything you ever wanted to know but were afraid to ask about sex toys, from

vibrators and dildos to lubricants and butt plugs. Are you intimidated by your neighborhood sex toy store? Are you baffled by online sex toy shops? Ever wished sex toys came with a user's manual? Well, now they do. *Sex Toys 101* presents much-needed information and gentle encouragement to a wide range of readers, female and male, gay and straight, from the uninitiated and curious to the avid, experienced sex toy aficionado.

Buzz Apr 22 2022 In the vein of Mary Roach's *Bonk*, a brilliant microhistory of the sex toy that ultimately tells the story of our changing sexual mores and evolving

cultural values. Once only whispered about in clandestine corners, vibrators have become just another accessory for the suburban soccer mom. But how did these once-taboo toys become so socially acceptable? The journey of the devices to the cultural mainstream is a surprisingly stimulating one. In *Buzz*, Hallie Lieberman traces the tale from lubricant in Ancient Greece to the very first condom in 1560 to advertisements touting devices as medical equipment in 19th-century magazines. She looks in particular from the period of major change from

the 1950s through the present, when sex toys evolved from symbols of female emancipation to tools in the fight against HIV/AIDS to consumerist marital aids to today's mainstays of pop culture. The story is populated with a cast of vivid and fascinating characters including Dell Williams, founder of the first feminist sex toy store; Betty Dodson, whose workshops helped 1960s women discover vibrators; and Gosnell Duncan, a paraplegic engineer who invented the silicone dildo. And these personal dramas are all set against a backdrop of changing American attitudes

toward sexuality, feminism, LGBTQ issues, and more. Both educational and titillating, Buzz will make readers think quite differently about those secret items hiding in bedside drawers across the nation.

Vibrator Nation

May 23 2022 In the 1970s a group of pioneering feminist entrepreneurs launched a movement that ultimately changed the way sex was talked about, had, and enjoyed. Boldly reimagining who sex shops were for and the kinds of spaces they could be, these entrepreneurs

opened sex-toy stores like Eve's Garden, Good Vibrations, and Babeland not just as commercial enterprises, but to provide educational and community resources as well. In *Vibrator Nation* Lynn Comella tells the fascinating history of how these stores raised sexual consciousness, redefined the adult industry, and changed women's lives. Comella describes a world where sex-positive retailers double as social activists, where products are framed as tools of liberation, and where consumers are willing to pay for the promise of better living—one conversation, vibrator, and orgasm at a time.

The Toy King

Oct 24 2019 Only the naughty list gets these toys... Valente Correa lives for one thing-leading the Toy Run. He takes his duties as a Magi

delivering toys for the House of Correa very seriously. But when he's tasked with transporting his brother's future bride through the Andes, he doesn't expect the walking, talking temptation that is Kessina Macias. When a snowstorm strands them together for two nights, Val can't resist what the luscious, smart-mouthed firebrand offers-even if it means betraying his brother, his father, and his house. Kessina Macias only wants one thing: independence. After a sheltered life in the mountains with her overprotective father, she yearns for some breathing room. Agreeing to marry a son from the House of Correa isn't ideal, but it

will get her out from under her father's watchful eye. The problem? The brother she agreed to marry is not the one she desires. Two scorching nights of passion with the broody, brawny Toy Runner change everything. And if she can convince him they're a perfect match, she might get the best gift all-Val himself. Rethinking Sex

Aug 02 2020 Part searing examination, part call to arms—a bold case against modern sexual ethics, from young Washington Post columnist Christine Emba. For years now, modern-day

sexual ethics has held that “anything goes” when it comes to sex—as long as everyone says yes, and does so enthusiastically. So why, even when consent has been ascertained, are so many of our sexual experiences filled with frustration, and disappointment, even shame? The truth is that the rules that make up today’s consent-only sexual code may actually be the cause of our sexual malaise—not the solution. In *Rethinking Sex*, reporter Christine Emba shows how consent is a good ethical floor but a terrible ceiling. She spells out the cultural, historical, and psychological forces that have

warped our idea of sex, what is permitted, and what is considered “safe.” In visiting critical points in recent years—from #MeToo and the Aziz Ansari scandal, to the phenomenal response to “Cat Person”—she reveals how a consent-only view of sex has hijacked our ability to form authentic and long-lasting connections, exposing us further to chronic isolation and resentment. Reaching back to the wisdom of thinkers like Thomas Aquinas and Andrea Dworkin, and drawing from sociological studies, interviews with college students, and poignant examples from her own life, Emba calls

for a more humane philosophy, one that starts with consent but accounts for the very real emotional, mental, social, and political implications of sex—even, she argues, if it means saying no to certain sexual practices or challenging societal expectations altogether. More than a bold reassessment of modern norms, *Rethinking Sex* invites us to imagine what it means to will the good of others, and in turn, attain greater affirmation, fulfillment, and satisfaction for ourselves.

kitten is the perfect subject for his neurology experimentation, and she's eager to try everything... Even things that she never thought she'd try again. Part One Kitten has given herself to her Master, whom she adores, and who controls her completely. She wears a collar at all times, and at the push of a button, he can make her more aroused, more open, and the perfect toy. Part Two Master and kitten go to a BDSM party where she is handed over to another Master to play with. His leather bondage arouses them both, and she's delighted to serve the dominant she's had a little crush on.

Part Three Kitten is nervous about her punishment for accidentally misbehaving on the way home from the dungeon party, and must choose between lashes with the cane or gentle sex in the one way she'd never tried with her Master. Part Four When kitten's Master Blackthorne goes away for two days, he calls in Master Theodore to stay with her. They had already enjoyed a taste of each other, but their lust becomes nearly uncontrollable when Theodore gets his hands on her control device. Part Five Master Theodore has been having an incredible time during his stay with

kitten, but Master Blackthorne will be home this evening. Kitten has been trying to make the very most of her time with Theodore, seducing him, encouraging him to be rough with her, and begging him to do the one thing that was against the rules. 18+, BDSM, spanking, bondage, intense sexual and sensual scenes. ***Look to the left for the "Follow this Author" button. The Book of Kink
Aug 14 2021 How to get your Fifty Shades on... For anyone who's felt...inspired...after reading Fifty Shades of Grey, *The Book of Kink* both entertains and enlightens, showing you the who, what, where, why, and how of kink. People everywhere are into kinky sex. For some, it's a way to spice up a withered sex life; for others, it's a way of life. No matter how or why we do it, kinky sex is as old as Adam and Eve and as commonplace as your next-door neighbor. For example, did you know: Japan

organized the largest orgy ever caught on tape, featuring 500 participants? A Berlin hotel offers different rooms dedicated to kinky sex, including one with a coffin? Those who are into having sex with an armpit have a fetish called axillism? There is a university dedicated entirely to love and sex called the Loveology University? *The Book of Kink* is an entertaining and enlightening look into all things beyond the pale when it comes to sex. Exploring everything from equipment, sex classes, sex parties, and porn to the who, what, where, when, why, and how of kink, it

delves into fetishes, turn-ons, role-playing, and how the Internet has put a new spin on kinkiness. It is an X-rated romp through cultural and social history and contemporary mores. Whether you're appalled to learn that people actually do this or are relieved to find out that you're not the only one, you'll never see sex the same way again.

You Know, Sex

Nov 17 2021 A completely new approach to learning about puberty, sex, and gender for kids 10+. Here is the much-anticipated third book in the trilogy that started with the award-

winning *What Makes a Baby* and *Sex Is a Funny Word* in a bright graphic format featuring four dynamic middle schoolers, *You Know, Sex* grounds sex education in social justice, covering not only the big three of puberty—hormones, reproduction, and development—but also power, pleasure, and how to be a decent human being. Centering young people's experiences of pressures and joy, risk and reward, and confusion and discovery, there are chapters on body autonomy, disclosure, stigma, harassment, pornography,

trauma, masturbation, consent, boundaries and safety in our media-saturated world, puberty and reproduction that includes trans, non-binary, and intersex bodies and experience, and more. Racially and ethnically diverse, inclusive of cross-disability experience, this is a book for every kind of young person and every kind of family. *You Know, Sex* is the first thoroughly modern sex ed book for every body navigating puberty and adolescence, essential for kids, everyone who knows a kid, and anyone who has ever been a kid.
