It will not waste your time. take me, the e-book will categorically sky you new event to read. Just invest little era to entry this on-line message Moses A Man Of Selfless Dedication Great Lives From Gods Word 4 Charles R Swindoll as skillfully as review them wherever you are now.

Selfless in a Selfie World Jan 10 2021 In contrast to a world that pushes you to promote yourself above all others, the doctrine of Christ teaches humility. Followers of Jesus are taught to be reverent to a sovereign God, to exalt one another, and to be servants to those around them. Not only does God delight in His people's humility, but He will bless them for it. Because where could pride get you? In the middle of a field, roaming around with mental issues for seven years, if you're like King Nebuchadnezzar. You see, Daniel had interpreted a dream of despair to the king. He told him that he would hit rock bottom and stay there until he realized that the magnificence of his kingdom was from God and not himself. Eight years later, King Nebuchadnezzar was standing in the middle of a field, looking and acting like a wild man when he acknowledged God's presence in his life, in his success. It wasn't until after this proclamation of praise and honor to our King that he was given back his kingdom. I encourage you to learn from King Nebuchadnezzar and give God glory now so that you won't have to be reminded that He is the one that is worthy of all your praise. Because the proud will be humbled, and the humble will be honored.

The Giving Tree Sep 05 2020 As The Giving Tree turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with Lafcadio, the Lion Who Shot Back. He is also the creator of picture books

including A Giraffe and a Half, Who Wants a Cheap Rhinoceros?, The Missing Piece, The Missing Piece Meets the Big O, and the perennial favorite The Giving Tree, and of classic poetry collections such as Where the Sidewalk Ends, A Light in the Attic, Falling Up, Every Thing On It, Don't Bump the Glump!, and Runny Babbit. And don't miss the other Shel Silverstein ebooks, Where the Sidewalk Ends and A Light in the Attic!

The Selfless Act of Breathing Aug 29 2022 A heartbreaking, lyrical story for all of those who have fantasized about escaping their daily lives and starting over. Michael Kabongo is a British-Congolese teacher living in London on the cusp of two identities. On paper, he seems to have it all: He's beloved by his students, popular with his coworkers, and the pride and joy of a mother who emigrated from the Congo to the UK in search of a better life. But behind closed doors, he's been struggling with the overwhelming sense that he can't address the injustices he sees raging before him—from his relentless efforts to change the lives of his students for the better to his attempts to transcend the violence and brutality that marginalizes young Black men around the world. Then one day he suffers a devastating loss, and his life is thrown into a tailspin. As he struggles to find a way forward, memories of his fathers' violent death, the weight of refugeehood, and an increasing sense of dread threaten everything he's worked so hard to achieve. Longing to escape the shadows in his mind and start anew, Michael decides to spontaneously pack up and go to America, the mythical "land of the free," where he imagines everything will be better, easier—a place where he can become someone new, someone without a past filled with pain. On this transformative journey, Michael travels everywhere from New York City to San Francisco, partying with new friends, sparking fleeting romances, and splurging on big adventures, with the intention of living the life of his dreams until the money in his bank account runs out. Written in spellbinding prose, with Bola's trademark magnetic storytelling, The Selfless Act of Breathing takes us on a wild ride to odd but exciting places as Michael makes surprising new connections and faces old prejudices in new settings.

Selfish or Selfless: Which One Are You? Nov 27 2019

Selfless Offspring Nov 07 2020 Both Western and Chinese intellectuals have long derided filial piety tales as an absurd and grotesque variety of children's literature. Selfless Offspring offers a fresh perspective on the genre, revealing the rich historical worth of these stories by examining them in their original context: the tumultuous and politically fragmented early medieval era (A.D. 100–600). At a time when no Confucian virtue was more prized than filial piety, adults were moved and inspired by tales of filial children. The emotional impact of even the most outlandish actions portrayed in the stories was profound, a measure of the directness with which they spoke to major concerns of the early medieval Chinese elite. In a period of weak central government and powerful local clans, the key to preserving a household's privileged status was maintaining a cohesive extended family. Keith Knapp begins this far-ranging and persuasive study by describing two related historical trends that account for the narrative's popularity: the growth of extended families and the rapid incursion of Confucianism among China's learned elite. Extended families were better at maintaining their status and power, so patriarchs found it expedient to embrace Confucianism to keep their large, fragile households intact. Knapp then focuses on the filial piety stories themselves—their structure, historicity, origin, function, and transmission—and argues that most stem from the oral culture of these elite extended families. After examining collections of filial piety tales, known as Accounts of Filial Children, he shifts from text to motif, exploring the most common theme: the "reverent care" and mourning of parents. In the final chapter, Knapp looks at the relative burden that filiality placed on men and women and concludes that, although women largely performed the same filial acts as men, they had to go to greater extremes to prove their sincerity.

Great Lives: Moses Sep 29 2022 Moses: A Man of Selfless Dedication Was he the sleek-and-trim, fun-loving animated man in The Prince of Egypt or the handsome, strong-hearted, superstar played by Charlton Heston in The Ten Commandments? The most likely answer is "neither." The Bible gives a much more accurate picture of the Moses God used in such remarkable ways, Charles Swindoll paints a portrait of the biblical Moses in this fascinating look into the heart and mind of Moses: A Man of Selfless Dedication. Swindoll gives us straight facts based squarely on the truth revealed in God's Word. He also fills in the fine-line details of Moses' life with emotion and feeling, because Moses, like all of us, was a human being with faults and frailties. And finally, Swindoll helps us apply the lessons of Moses' life to our own daily dilemmas. When you face your personal Red Sea test, will you be prepared? Your decision to go forward in life instead of retreating will be bolstered by your having studied the real Moses of the Bible?the Moses who tried to decline his assignment

from God; the Moses who dazzled Pharaoh; the Moses who received the Ten Commandments; the Moses who was sometimes disobedient and weak; the Moses who was the greatest leader of God's people in all of history; the Moses of faith and selfless dedication to his God.

Pathological Altruism Mar 31 2020 The benefits of altruism and empathy are obvious. These qualities are so highly regarded and embedded in both secular and religious societies that it seems almost heretical to suggest they can cause harm. Like most good things, however, altruism can be distorted or taken to an unhealthy extreme. Pathological Altruism presents a number of new, thought-provoking theses that explore a range of hurtful effects of altruism and empathy. Pathologies of empathy, for example, may trigger depression as well as the burnout seen in healthcare professionals. The selflessness of patients with eating abnormalities forms an important aspect of those disorders. Hyperempathy - an excess of concern for what others think and how they feel - helps explain popular but poorly defined concepts such as codependency. In fact, pathological altruism, in the form of an unhealthy focus on others to the detriment of one's own needs, may underpin some personality disorders. Pathologies of altruism and empathy not only underlie health issues, but also a disparate slew of humankind's most troubled features, including genocide, suicide bombing, self-righteous political partisanship, and ineffective philanthropic and social programs that ultimately worsen the situations they are meant to aid. Pathological Altruism is a groundbreaking new book - the first to explore the negative aspects of altruism and empathy, seemingly uniformly positive traits. The contributing authors provide a scientific, social, and cultural foundation for the subject of pathological altruism, creating a new field of inquiry. Each author's approach points to one disturbing truth: what we value so much, the altruistic "good" side of human nature, can also have a dark side that we ignore at our peril.

Raising Uncommon Kids Jun 22 2019 The single greatest lesson parents teach their kids isn't anything they say--it's what they do. And while most parents would say they want to raise compassionate kids, they might be surprised to discover just how little they're actually modeling the behaviors they hope to pass on--qualities such as unconditional love, gentleness, forgiveness, patience, gratitude, humility, and more. In this unique book, Sami Cone shows parents a new way to look at molding their children, one in which focusing on adding good behaviors and attitudes is more powerful than eliminating bad ones. Grounding her advice in Scripture--specifically the twelve characteristics found in Colossians 3:12-17--Cone offers plenty of stories from her own life to show these principles in action. And she offers practical things parents can do right now to create a home and family that exhibits love, harmony, and generosity of spirit in a self-centered world.

The Selfless Leader Jul 16 2021 A brand new textbook that explores leadership from the perspective of collective leadership. It provides a brief historical background to the development of leadership as a discipline and then discusses the evolution and applications of collective leadership. Grounded in solid academic research, with topical real-work examples and case studies.

Nietzsche, Naturalism, and Normativity Dec 29 2019 This volume comprises ten original essays on Nietzsche, one of the western canon's most controversial ethical thinkers. An international team of experts clarify Nietzsche's own views, both critical and positive, ethical and meta-ethical, and connect his philosophical concerns to contemporary debates in and about ethics, normativity, and value.

The Selfless Gene May 14 2021 In THE SELFLESS GENE, Charles Foster assesses the claims of Neo-Darwinists and Young Earth Creationists, demonstrating that orthodox Christianity is not incompatible with what evolutionary biology says about our world. The real issue, he argues, centres around the ethical implications of natural selection, and what such a system – based on selfishness, waste and death – might say about the loving creator God of the Christian faith. Intelligent, provocative and accessible, THE SELFLESS GENE offers the prospect of a reasoned dialogue between faith and scientific study, and a reconciliation of what are popularly seen as two opposing worldviews. In THE SELFLESS GENE, Charles Foster assesses the claims of Neo-Darwinists and Young Earth Creationists, demonstrating that orthodox Christianity is not incompatible with what evolutionary biology says about our world. Intelligent, provocative and accessible, THE SELFLESS GENE offers the prospect of a reasoned dialogue between faith and scientific study, and a reconciliation of what are popularly seen as two opposing worldviews.

Me the People Feb 20 2022 The United States Constitution promised a More Perfect Union. It's a shame no one bothered to write a more perfect Constitution—one that didn't trigger more than two centuries of arguments about what the darn thing actually says. Until now. Perfection is at hand. A new, improved Constitution is here. And you are holding it. But first, some historical context: In the eighteenth century, a lawyer named James Madison gathered his friends in Philadelphia and, over four long months, wrote four short pages: the Constitution of the United States of America. Not bad. In the nineteenth century, a president named Abraham Lincoln freed an entire people from the flaws in that Constitution by signing the Emancipation Proclamation. Pretty impressive. And in the twentieth century, a doctor at the Bethesda Naval Hospital delivered a baby—but not just any baby. Because in the twenty-first century, that baby would become a man, that man would become a patriot, and that patriot would rescue a country . . . by single-handedly rewriting that Constitution. Why? We think of our Constitution as the painstakingly designed blueprint drawn up by, in Thomas Jefferson's words, an "assembly of demigods" who laid the foundation for the sturdiest republic ever created. The truth is, it was no blueprint at all but an Etch A Sketch, a haphazard series of blunders, shaken clean and redrawn countless times during a summer of petty debates, drunken ramblings, and desperate compromise—as much the product of an "assembly of demigods" as a confederacy of dunces. No wonder George Washington wished it "had been made more perfect." No wonder Benjamin Franklin stomached it only "with all its faults." The Constitution they wrote is a hot mess. For starters, it doesn't mention slavery, or democracy, or even Facebook; it plays favorites among the states; it has typos, smudges, and misspellings; and its Preamble, its most famous passage, was written by a man with a peg leg. Which, if you think about it, gives our Constitution hardly a leg to stand on. [Pause for laughter.] Now stop laughing. Because you hold in your hands no mere book, but the most important document of our time. Its creator, Daily Show writer Kevin Bleyer, paid every price, bore every burden, and saved every receipt in his quest to assure the salvation of our nation's founding charter. He flew to Greece, the birthplace of democracy. He bused to Philly, the home of independence. He went toe-to-toe (face-to-face) with Scalia. He added nightly confabs with James Madison to his daily consultations with Jon Stewart. He tracked down not one but two John Hancocks—to make his version twice as official. He even read the Constitution of the United States. So prepare yourselves, fellow patriots, for the most significant literary event of the twenty-first, twentieth, nineteenth, and latter part of the eighteenth centuries. Me the People won't just form a More Perfect Union. It will save America. Praise for Me the People "I would rather read a constitution written by Kevin Bleyer than by the sharpest minds in the country."—Jon Stewart "Bleyer takes a red pencil to democracy's most hallowed laundry list. . . . Uproarious and fascinating."—Reader's Digest "I knew James Madison. James Madison was a friend of mine. Mr. Bleyer, you are no James Madison. But you sure are a heck of a lot more fun."—Pulitzer Prize-winning historian Doris Kearns Goodwin, author of the #1 New York Times bestseller Team of Rivals

Fierce Marriage Jun 02 2020 Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of them knew at the time that Ryan was living out a death sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery that could either save his life--or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love fiercely, fighting for each other and for a Christ-centered marriage, every step of the way. Fierce Marriage is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.

The Art of Selfless Service Nov 19 2021 Akin Ambode is a Public Finance Management Expert and the Chief Executive Officer of Brandsmiths Consulting Limited - a public finance and management-consulting firm with deep knowledge of the Nigerian public sector. He is a former Accountant General of Lagos State serving in that capacity between 2006 and 2012, he served in several other capacities including Permanent Secretary Ministry of Finance, Auditor General for Local Government and across all cadres of Lagos state's civil service

for a total of 27 years before his voluntary retirement in 2012.

God Has Come, He Is King Oct 26 2019 Almighty God, Christ of the last days, has expressed a variety of truths, uncovered every truth and mystery in the Bible, and revealed to mankind the inside story of the three stages of God's work, the mystery of God becoming flesh and God's work of judgment in the last days, etc. This testifies that Almighty God is the return of the Lord Jesus and that He is the appearance of God in the last days.

Child Man Mar 24 2022 There is a part of us which neither listens to the voice of reason nor submit easily to social/moral conventions. Like a child, it relentlessly pursues whatever catches its fancy and keeps playing with fire. It can either help us actualize our heroic potential or put us on the road to self-destruction. Perhaps the key to this difference lies in what we do with our emotional/psychic wounds which are a necessary part of the growth process. The book explores the inner landscape of this part of our psyche through the mythological figures of Balarama, Duryodhana and Bhima. It also examines the present day context of human existence which has ironically enhanced both our prowess and helplessness and thereby pushed this part of ourselves into our psychic/social underbelly.

1,000 Selfless Acts Aug 24 2019 Fast approaching his 50th birthday, Brian found himself in the familiar position of commemorating a milestone. He had competed in bodybuilding contests and run half-marathons to commemorate milestone birthdays in the past and he suspected he'd do something similar for this one. That is until a friend said something that changed his life and he, in turn, set out to change the lives of a thousand others. Author Brian Ellison will take you on a journey of self-reflection, trust, teamwork and tears in this wonderful story of how hundreds of strangers joined forces to spread selfless kindness to more than a thousand unsuspecting souls.

Love Within Limits Aug 05 2020 This is a print on demand book and is therefore non- returnable. An exploration of how ideal love -- selfless love -- can work within the limits of our ordinary lives. Using the magnificent lines of 1 Corinthians 13 as his guide, Smedes discusses the areas of life into which love must fit in order to do its work. Includes discussion questions.

Child Man Jul 28 2022 There is a part of us which neither listens to the voice of reason nor submit easily to social/moral conventions. Like a child, it relentlessly pursues whatever catches its fancy and keeps playing with fire. It can either help us actualize our heroic potential or put us on the road to self-destruction. Perhaps the key to this difference lies in what we do with our emotional/psychic wounds which are a necessary part of the growth process. The book explores the inner landscape of this part of our psyche through the mythological figures of Balarama, Duryodhana and Bhima. It also examines the present day context of human existence which has ironically enhanced both our prowess and helplessness and thereby pushed this part of ourselves into our psychic/social underbelly.

*Elijah Jan 28 2020 Now, more than ever, we need men and women who aren't afraid to live courageously. Thankfully, the Bible gives us timeless examples of great leaders who gracefully stood up for what they believed in, including God's mighty prophet Elijah. Join bestselling author Charles Swindoll as he explores the life and legacy of this incredible man of faith. In *Elijah*, renowned Bible teacher Swindoll analyzes the impact of the Old Testament prophet. Elijah was uncompromisingly strong, yet self-controlled. Disciplined, yet forgiving. Audaciously courageous, yet kind. Heroic in the heat of battle, yet humble in the aftermath. Exploring the depths of Elijah's fascinating life as a prophet of God, Swindoll doesn't gloss over his human weaknesses; rather, he presents an honest picture of this ordinary man who God transformed into His personal spokesman to confront idolatry and evil in the ancient world. The fifth book in Swindoll's *Great Lives* series, *Elijah* will give you the encouragement you need to: Walk humbly on the path that God has set out for you Exhibit heroism under pressure Uncover the life-changing power of prayer Within the pages of *Elijah*, you're sure to find a life worth emulating.*

*The Way to God Mar 12 2021 Mahatma Gandhi became famous as the leader of the Indian independence movement, but he called himself "a man of God disguised as a politician." *The Way to God* demonstrates his enduring significance as a spiritual leader whose ideas offer insight and solace to seekers of every practice and persuasion. Collecting many of his most significant writings, the book explores the deep religious roots of Gandhi's worldly accomplishments and reveals—in his own words—his intellectual, moral, and spiritual*

approaches to the divine. First published in India in 1971, the book is based on Gandhi's lifetime experiments with truth and reveals the heart of his teachings. Gandhi's aphoristic power, his ability to sum up complex ideas in a few authoritative strokes, shines through these pages. Individual chapters cover such topics as moral discipline, spiritual practice, spiritual experience, and much more. Gandhi's guiding principles of selflessness, humility, service, active yet nonviolent resistance, and vegetarianism make his writings as timely today as when these writings first appeared. A foreword by Gandhi's grandson Arun and an introduction by Michael Nagler add useful context. From the Trade Paperback edition.

SelfLess Apr 24 2022 In SelfLess, popular speaker Megan Fate Marshman exposes the source of self-limiting beliefs that create needless striving to be good enough and points to powerful truths that can transform life into a new experience of freedom, joy, and love. People desire to be significant; however, ironically amidst a self-help and "find-me" culture, they become their own greatest obstacles. Significance cannot be created through self or found by desperately reaching for other people. An abundant life, joyful spirit, and the awe of touching others can only be found by allowing God to fill hearts to overflowing. By moving over and giving Him everything, people discover what they really seek and join the amazing adventure of God's wondrous story.

Psychotherapy and the Selfless Patient Sep 25 2019 A wealth of theoretical and clinical material on the developmental and philosophical issues regarding the origin and loss of self.

What Makes a Hero? Jan 22 2022 An entertaining investigation into the biology and psychology of why we sacrifice for other people Researchers are now applying the lens of science to study heroism for the first time. How do biology, upbringing, and outside influences intersect to produce altruistic and heroic behavior? And how can we encourage this behavior in corporations, classrooms, and individuals? Using dozens of fascinating real-life examples, Elizabeth Svoboda explains how our genes compel us to do good for others, how going through suffering is linked to altruism, and how acting heroic can greatly improve your mental health. She also reveals the concrete things we can do to encourage our most heroic selves to step forward. It's a common misconception that heroes are heroic just because they're innately predisposed to be that way. Svoboda shows why it's not simply a matter of biological hardwiring and how anyone can be a hero if they're committed to developing their heroic potential.

How to Find Selfless Joy in a Me-First World Feb 29 2020 Do You Need Greater Self-Esteem—Or Something Else Entirely? Western culture increasingly emphasizes the importance of self-love and self-esteem. Many of us believe we must "find" ourselves—and feel good about what we see—before we can experience significant spiritual growth. Focusing so much on ourselves, however, distracts us from pursuing the only source of true fulfillment. Do we, as God's people, really need to love ourselves more? Or is there a wiser, biblical path that can lead us to joy that is not self-centered and fleeting, but God-focused and lasting? Challenging the current fascination with self esteem, Leslie Vernick answers these questions and others that trip up Christians today. Offering surprising insights and practical helps that can make a real difference in your life, she shows how you can experience greater personal, relational, and spiritual growth while humbly adoring and glorifying your God.

Selfishness and Selflessness Dec 09 2020 We are said to be suffering a narcissism epidemic when the need for collective action seems more pressing than ever. Selfishness and selflessness address the 'proper' and 'improper' relationship between one's self and others. The work they do during periods of social instability and cultural change is probed in this original, interdisciplinary collection. Contributions range from an examination of how these concepts animated the eighteenth-century anti-slavery campaigners to dissecting the way middle-class mothers' experiences illustrate gendered struggles over how much and to whom one is morally obliged to give.

How to Raise Selfless Kids in a Self-Centered World Jul 04 2020 In this third book from the Faithful Families series, How to Raise Selfless Kids in a Self-Centered World, Dave Stone continues to share his practical, conversational, and humorous approach to the challenges of building a strong spiritual foundation for the family.

The Selfless Mind Jul 24 2019 This careful analysis of early Buddhist thought opens out a perspective in which no permanent Self is accepted, but a rich analysis of changing and potent mental processes is developed. It explores issues relating to the not-Self teaching: self-development, moral responsibility, the between-lives

period, and the 'undetermined questions' on the world, on the 'life principle' and on the liberated one after death. It examines the 'person' as a flowing continuity centred on consciousness or discernment (vinnana) configured in changing minds-sets (cittas). The resting state of this is seen as 'brightly shining' - like the 'Buddha nature' of Mahayana thought - so as to represent the potential for Nirvana. Nirvana is then shown to be a state in which consciousness transcends all objects, and thus participates in a timeless, unconditioned realm.

Enough About Me Dec 21 2021 What if your path to a more successful, healthy, and satisfying life is actually not about you? *Enough About Me* equips you with practical tools to find meaning and compassion in even the smallest of everyday choices. When his father was diagnosed with Alzheimer's disease, Richard Lui made a tough decision. The award-winning news anchor decided to set aside his growing career to care for his family. At first, this new caregiving lifestyle did not come easily for Lui, and what followed was a seven-year exercise in what it really means to be selfless. *Enough About Me* also takes a behind-the-scenes look at some of the world's most difficult moments from a journalist's point of view. From survivors of terrorist attacks to victims of racial strife, Lui shares the lessons he learned from those who rose above the fray to be helpful, self-sacrificing, and generous in the face of monumental tragedy and loss. Lui shares practical tips, tools, and mnemonics learned along the way to help shift the way we think and live, including: Selfless decision methods and practices for work, home, relationships, and community Studies and research that show the personal benefits of being selfless The lasting impact of sharing your story Practical, bite-sized ways to be more engaging and inclusive in your day-to-day life How to train our decision-making muscles to choose others over ourselves Choice by choice, step by step, the path to a more satisfying and fulfilling journey is right here in the people around us. Praise for *Enough About Me*: "Richard Lui underscores the importance of sharing stories to bring people together through selfless acts for the greater good." Beth Kallmyer, Vice President of Care and Support, Alzheimer's Association "Richard is living a life of service. This is a jewel of a book, a celebration of the best of the human spirit and of the good that emerges from sacrifice. Richard Lui is a beacon of light in these dark times." José Díaz-Balart, Anchor, NBC Nightly News Saturday; Anchor, Noticias Telemundo
Journey Of Selfless Soul Sacrifice May 02 2020

Selfless Persons Jun 26 2022 This book seeks to explain carefully and sympathetically the Buddhist doctrine of anatta ('not-self'), which denies the existence of any self, soul or enduring essence in human beings. The author relates this doctrine to its cultural and historical context, particularly to its Brahmanical background, and shows how the Theravada Buddhist tradition has constructed a philosophical and psychological account of personal identity and continuity on the apparently impossible basis of the denial of self.

From #Selfie to Selfless Feb 08 2021 Living in a world where "selfies" are glorified, personal opinions are amplified, and society is unashamedly selfish, where do we find purpose? *From #Selfie to Selfless* takes an authentic, personal look at areas where we can shift our gaze from inward to upward, resulting in a more fulfilled, purpose-driven life.

Moses Oct 31 2022 Swindoll presents the Bible's real Moses, showing the principles that guided his life and service to God and explaining how readers can apply them daily.

Selfless: A Psychologist's Journey through Identity and Social Class Apr 12 2021 *Selfless* is a memoir, reflecting on identity, social class, mobility, education, and on psychology itself; how psychology as a discipline is conducted, how it prioritises objects of study, how it uncovers psychological truths about the world. Geoffrey Beattie takes the reader on a journey through his early life in working-class Belfast, his Ph.D. at Trinity College Cambridge and subsequent academic and professional career, to explore fundamental issues within psychology about social class and social identity. Beattie discusses the difficulties inherent in this process of education and change, and how social background affects how you view academic work and the subject matter of one's discipline. This book movingly details a life and how it is changed by the processes of education, the psychological pressures when abandoning those close to you, the dissonance within and how it feels and operates. The book takes a critical look at psychology from the other side, and examines the process of becoming 'selfless', meaning having little sense of self rather than being overly concerned with the wishes and needs of others. Showing how our early experiences and their influence continues throughout life, Beattie's emotionally engaging, entertaining, and witty text offers general readers, students, and academics fresh

insights into psychology, adaptation and personal change.

Selfless Love and Human Flourishing in Paul Tillich and Iris Murdoch Oct 07 2020 In an age of self-affirmation and self-assertion, 'selfless love' can appear as a threat to the lover's personal well-being. This perception jars with the Biblical promise that we gain our life through losing it and therefore calls for a theological response. In conversation with the Protestant theologian Paul Tillich and the atheistic moral philosopher and novelist Iris Murdoch, Selfless Love and Human Flourishing in Paul Tillich and Iris Murdoch enquires into the anthropological grounds on which selfless love can be said to build up, rather than undermine, the lover's self. It proposes that while the implausibility of selfless love was furthered by the modern deconstruction of the self, both Tillich and Murdoch utilize this very deconstruction towards explicating and restoring the link between selfless love and human flourishing. Julia T. Meszaros shows that they use the modern diagnosis of the human being's lack of a stable and independent self as manifest in Sartre's existentialism in support of an understanding of the self as relational and fallen. This leads them to view a loving orientation away from self and a surrender to the other as critical to the full flourishing of human selfhood. In arguing that Tillich and Murdoch defend the link between selfless love and human flourishing through reference to the human being's ontological selflessness, Meszaros closely engages Søren Kierkegaard's earlier attempt to keep selfless love and human flourishing in a productive, dialectical tension. She also examines the breakdown of this tension in the later figures of Anders Nygren, Simone Weil, and Jean-Paul Sartre, and addresses the pitfalls of this breakdown. Her examination concludes by arguing that the link between selfless love and human flourishing would be strengthened by a more resolute endorsement of a personal God, and of the reciprocal nature of selfless love.

Scared Selfless Jun 14 2021 "A riveting memoir that takes readers on a roller coaster ride from the depths of hell to triumphant success."—Dave Pelzer, author of A Child Called "It" Michelle Stevens has a photo of the exact moment her childhood was stolen from her: She's only eight years old, posing for her mother's boyfriend, Gary Lundquist—an elementary school teacher, neighborhood stalwart, and brutal pedophile. Later that night, Gary locks Michelle in a cage, tortures her repeatedly, and uses her to quench his voracious and deviant sexual whims. Little does she know that this will become her new reality for the next six years. Michelle can also pinpoint the moment she reconstituted the splintered pieces of her life: She's in cap and gown, receiving her PhD in psychology—and the university's award for best dissertation. The distance between these two points is the improbable journey from torture, loss, and mental illness to healing, recovery, and triumph that is Michelle's powerful memoir, Scared Selfless. Michelle suffered from post-traumatic stress disorder, anxiety, and depression, and made multiple suicide attempts. She also developed multiple personalities. There was "Chelsey," the rebellious teenager; "Viscous," a tween with homicidal rage; and "Sarah," a sweet little girl who brought her teddy bear on a first date. In this harrowing tale, Michelle, who was inspired to help others heal by becoming a psychotherapist, sheds light on the all-too-real threat of child sexual abuse, its subsequent psychological effects, and the best methods for victims to overcome their ordeals and, ultimately, thrive. Scared Selfless is both an examination of the extraordinary feats of the mind that are possible in the face of horrific trauma as well as Michelle's courageous testament to their power.

Your Life Isn't for You May 26 2022 Give Your Life to Live Your Life In this book, Seth Adam Smith expands on the philosophy behind his extraordinarily popular blog post "Marriage Isn't for You"—which received over 30 million hits and has been translated into over twenty languages—and shares how living for others can enrich every aspect of your life, just as it has his. With a mix of humor, candor, and compassion, he reveals how, years before his marriage, his self-obsession led to a downward spiral of addiction and depression, culminating in a suicide attempt at the age of twenty. Reflecting on the love and support he experienced in the aftermath, as well as on the lessons he learned from a difficult missionary stint in Russia, his time as a youth leader in the Arizona desert, his marriage, and even a story his father read to him as a child, he shares his deep conviction that the only way you can find your life is to give it away to others. Your Life Isn't For You was recently named the Gold Medalist for Inspirational Memoir in the 2015 Living Now Book Awards!

Selfless Sep 17 2021 ASHLYN I went against all I believed in and fell in love with what should have been a one-night stand! I fought it, tried to make up rules to prevent the inevitable, but somehow, he knew all along. He understood what I wanted and was willing to comply. I was the one who took him for granted. I was the one

who made him walk away. And now, he's gone and I'm left with nothing but my thoughts and regrets. He was never supposed to be my happily ever after. But my favorite love story ends in tragedy, so why wouldn't mine? RYDER I played the white knight, doing what every woman dreams of to win her over, yet it still got me nowhere! But what did I expect? I wasn't the man she wanted! Nothing I could have done would have landed me the girl. I guess love is funny that way. One minute, you think you have the girl, and the next, you realize you were blinded. Walking away was hard, but watching her with another man was harder. Sometimes you have to pick your battles, and I know when I've lost. Love shouldn't be a game, but I learned someone always loses. For once, I wasn't the one being selfish, but I was the one who paid the price.

Joseph Aug 17 2021 No family today is more dysfunctional than Joseph's. No one faces greater temptation than Potiphar's wife offered Joseph. No faith is challenged more severely than was Joseph's on death row. Yet Joseph stood firm, exemplifying what is possible when ordinary people maintain their connections with God. Like an epic novel filled with intrigue, tension, and torrential emotions, Joseph's triumphant story touches us all. This third volume in Charles Swindoll's "Great Lives" series presents a fresh look at one of the most intriguing characters in the Old Testament and focuses on the virtue of forgiveness in the face of deceit and betrayal.

Selfless Love Oct 19 2021 Selfless Love shows how meditation can help us realize that we don't love—we are love. Gentle, elegant, and radically inspiring, Selfless Love presents a holistic, experiential meditative path that enables us to see beyond our preconceived notions of identity, spirituality, and humanity. Drawing equally from Zen parables, her experience as a mental health therapist, and the Gospels, Ellen Birx shows us that through meditation we can recognize that our true selves are not selves at all - that all beings are united in unbounded, infinite awareness and love, beyond words. Recognizing the limitations of language in describing the indescribable, Birx concludes each chapter in the Zen tradition of "turning words" with a verse meant to invite insights.
