The Man who Divided India May 11 2021

Six Days of War Jan 27 2020 NEW YORK TIMES BESTSELLER • The first comprehensive account of the epoch-making Six-Day War, from the author of *Ally*—now featuring a fiftieth-anniversary retrospective Though it lasted for only six tense days in June, the 1967 Arab-Israeli war never really ended. Every crisis that has ripped through this region in the ensuing decades, from the Yom Kippur War of 1973 to the ongoing intifada, is a direct consequence of those six days of fighting. Writing with a novelist's command of narrative and a historian's grasp of fact and motive, Michael B. Oren reconstructs both the lightning-fast action on the battlefields and the political shocks that electrified the world.

Extraordinary personalities—Moshe Dayan and Gamal Abdul Nasser, Lyndon Johnson and Alexei Kosygin—rose and toppled from power as a result of this war; borders were redrawn; daring strategies brilliantly succeeded or disastrously failed in a matter of hours. And the balance of power changed—in the Middle East and in the world. A towering work of history and an enthralling human narrative, *Six Days of War* is the most important book on the Middle East conflict to appear in a generation. Praise for *Six Days of War* “Powerful . . . A highly readable, even gripping account of the 1967 conflict . . . [Oren] has woven a seamless narrative out of a staggering variety of diplomatic and military strands.”—*The New York Times* “With a remarkably assured style, Oren elucidates nearly every aspect of the conflict. . . . Oren’s [book] will remain the authoritative chronicle of the war. His achievement as a writer and a historian is awesome.”—*The Atlantic Monthly* “This is not only the best book so far written on the six-day war, it is likely to remain the best.”—*The Washington Post Book World* “Phenomenal . . . breathtaking history . . . a profoundly talented writer. . . . This book is not only one of the best books on this critical episode in Middle East history; it’s one of the best-written books I’ve read this year, in any genre.”—*The Jerusalem Post* “[In] Michael Oren’s richly detailed and lucid account, the familiar story is thrilling once again. . . . What makes this book important is the breadth and depth of the research.”—*The New York Times Book Review* “A first-rate new account of the conflict.”—*The Washington Post* “The definitive history of the Six-Day War . . .

[Oren's] narrative is precise but written with great literary flair. In no one else's study is there more understanding or more surprise."—Martin Peretz, Publisher, The New Republic
"Compelling, perhaps even vital, reading."—San Jose Mercury News

Girl in Kellers Way, The Apr 10 2021 When a body is found buried near the desolate forest road of Kellers Way, Detective Melanie Carter must identify the victim if she is to have any chance of finding the killer. That's no easy task with fragmentary evidence from a crime committed years earlier and a conspiracy of silence from anyone who might have information. The one person who may be able to help is Julie West. In a troubled marriage, Julie often jogs along Kellers Way to clear her mind and escape the confines of her suffocating suburban life. Until one day, something happens there that shakes Julie to the core, making her question everything she ever believed about her life, her marriage and even her sanity . . . Domestic noir at its best, this work of fiction will leave your heart pounding days after the final pages are finished?. New Idea.

Foundation of the Christian Faith Sep 15 2021 Foundation of Christian faith was given by revelation of the word of Jesus Christ by the HOLY SPIRIT. The word of God is the foundation of faith through which we must believe to receive his promises, salvation, healing, peace, and joy, for our lives, [eternal life for ever and ever]. For we walk by faith, not by sight. 2 cor. 5: 7, Living accord to the truth of God's word and the testimony of his spirit. Faith is in believing God's testimony and living in agreement with it.

Mountbatten and the Partition of India Oct 16 2021 Selection of interviews and personal reports and documents of Lord Mountbatten.

The Haj Oct 24 2019 “The narrative is fast paced, bursting with action, and obviously based on an intimate grasp of the region, its peoples, their tradition and age-old ways of life.”—John Barkham Reviews Leon Uris returns to the land of his acclaimed best-seller Exodus for an epic story of hate and love, vengeance and forgiveness and forgiveness. The Middle East is the powerful setting for this sweeping tale of a land where revenge is sacred and hatred noble. Where an Arab ruler tries to save his people from destruction but cannot save them from themselves. When violence spreads like a plague across the lands of Palestine—this is the time of The Haj.

Oh, Jerusalén Sep 22 2019 Oh, Jerusalén narra el nacimiento del Estado de Israel en 1948, tras la cruenta lucha entre árabes y judíos. Esta obra se ha convertido en un texto clave para entender por qué Israel sigue siendo, medio siglo después de su fundación, una de las zonas más conflictivas del planeta.

A Thousand Suns Jun 12 2021 A globe-trotting journalist describes the people he met and the events he witnessed over the years. He interviewed such newsmakers as Mother Teresa, bullfighter El Cordobes and Caryl Chessman on Death Row, and among the events he covered was the hijacking of a cruise ship. By the author of Is Paris Burning?

Revelation Dec 06 2020 The final book of the Bible, Revelation prophesies the ultimate

judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

O Jerusalem! Oct 28 2022 An account of the bitter 1948 dispute between the Arabs and Jews over Jerusalem highlights the role of the British as well as prominent individuals in the struggle. Reissue. (A Samuel Goldwyn Productions film, releasing September 2007, directed by Elie Chouraqui, starring JJ Feild, Tovah Felshuh, Maria Pappas, Ian Holm, Patrick Bruel, Tom Conti, and others) (History -- General)

Or I'll Dress You in Mourning Apr 22 2022

O Jerusalem! Mar 21 2022 First Published In 1978, This 2008 Edition Brings To The Limelight Again The Turmoil Of May 1948, When The British Left Palestine, And Blood And Fire Engulfed Jerusalem. The Israeli-Arab Conflict Had Begun And Continues To Hound The World Today, Impacting Other Nations And Worldwide Politics.

Forever My Jerusalem May 23 2022 The poignant, autobiographical story of the fall and evacuation of the Jewish Quarter, as witnessed through the eyes of a young girl. With maps.

Five Past Midnight in Bhopal Feb 20 2022 A gripping, kaleidoscopic account of a horrific industrial disaster that shook the world, from world-renowned humanitarian and internationally bestselling author Dominique Lapierre. It was December 3, 1984. In the ancient city of Bhopal, a cloud of toxic gas escaped from an American pesticide plant,

killing and injuring thousands of people. When the noxious clouds cleared, the worst industrial disaster in history had taken place. Now, Dominique Lapierre brings the hundreds of characters, conflicts, and adventures together in an unforgettable tale of love and hope. Readers will meet the poetry-loving factory worker who unleashes the apocalypse, the young Indian bride who was to be married that terrible night, and the doctors who died that night saving others.

The Road to Armageddon Dec 18 2021 When Iran's deadly nuclear game is revealed, CIA agent Frank Williams realizes there is only one man made for the job of traveling to the other side of the world to neutralize this threat: his disgraced, but tough-as-lead former partner, agent Jim Duffy.

A Rainbow in the Night Jan 19 2022 In 1652 a small group of Dutch farmers landed on the southernmost tip of Africa. Sent by the powerful Dutch India Company, their mission was simply to grow vegetables and supply ships rounding the cape. The colonists, however, were convinced by their strict Calvinist faith that they were among God's "Elect," chosen to rule over the continent. Their saga—bloody, ferocious, and fervent—would culminate three centuries later in one of the greatest tragedies of history: the establishment of a racist regime in which a white minority would subjugate and victimize millions of blacks. Called apartheid, it was a poisonous system that would only end with the liberation from prison of one of the moral giants of our time, Nelson Mandela. A Rainbow in the Night is Dominique

Lapierre's epic account of South Africa's tragic history and the heroic men and women—famous and obscure, white and black, European and African—who have, with their blood and tears, brought to life the country that is today known as the Rainbow Nation.

Israel / Palestine Jan 07 2021 What explains the peculiar intensity and evident intractability of the Israeli-Palestinian conflict? Of all the "hot spots" in the world today, the apparently endless clash between Jews and Arabs in the Middle East seems unique in its longevity and resistance to resolution. Is this conflict really different from other ethnic and nationalist confrontations, and if so, in what way? In this fully revised and expanded fourth edition of his highly respected introductory text, Alan Dowty demystifies the conflict by putting it in broad historical perspective, identifying its roots, and tracing its evolution up to the current impasse. His account offers a clear analytic framework for understanding transformations over time, and in doing so, punctures the myths of an "age-old" conflict with an unbridgeable gap between the two sides. Rather than simply reciting historical detail, this book presents a clear overview that serves as a road map through the thicket of conflicting claims. Updated to include recent developments, such as the clashes in the Gaza Strip and the latest diplomatic initiatives, the new edition presents in full the opposed perspectives of the two sides, leaving readers to make their own evaluations of the issues. The book thus expresses fairly and objectively the concerns, hopes, fears, and passions of both sides, making it clear why this conflict is waged with such vehemence – and how, for

all that, the gap between the two sides has narrowed over time.

The Shadow of the Great Game May 31 2020 The untold story of India's Partition. The partition of India in 1947 was the only way to contain intractable religious differences as the subcontinent moved towards independence - or so the story goes. But this dramatic new history reveals previously overlooked links between British strategic interests - in the oil wells of the Middle East and maintaining access to its Indian Ocean territories - and partition. Narendra Singh Sarela reveals here how the Great Game against the Soviet Union cast a long shadow. The top-secret documentary evidence unearthed by the author sheds new light on several prominent figures, including Gandhi, Jinnah, Mountbatten, Churchill, Attlee, Wavell and Nehru. This radical reassessment of one of the key events in British colonial history is important in itself, but its claim that many of the roots of Islamic terrorism sweeping the world today lie in the partition of India has much wider implications.

A Coffin for King Charles Sep 03 2020

Who Owns the Land? Mar 09 2021 An analysis of the middle east conflict in light of biblical prophecies concerning the Jewish state traces the history of the Jewish people and the events that led to their modern-day stand in Palestine, examining the roots of the conflict from both sides. Original. \$100,000 ad/promo.

Ô Jérusalem Aug 26 2022

Is New York Burning? Jul 25 2022 The clock is ticking toward an inexorable deadline.... Four years after 9/11, terrorists have hidden an atomic bomb in the heart of New York. If the President of the United States does not force his Israeli allies to abandon all the land they have occupied in the aftermath of the 1967 War, Manhattan will be wiped off the face of the earth. Will George W. Bush give in to this blackmail? Could a terrorist group have really gotten access to an atomic bomb and smuggled it into the United States? Can the forces of the most powerful nation on the planet find the hidden bomb and defuse it before it can explode? Could they, if necessary, evacuate New York? Researched for two years, the authors studied thousands of documents and interviewed scores of people from the most secret centers in the war on terrorism. *Is New York Burning?* is a diabolical thriller set at the very heart of today's world and its madness. The final collaboration from the authors of the world famous *Is Paris Burning?* and *O Jerusalem*.

Jerusalem Divided Feb 26 2020 Traces the background to the history of the Armistice Regime, established in 1947 to combat the fighting between Jews and Arabs in Jerusalem. The author details the Armistice Commission, which governed its application and the many in-built problems that thwarted their proper functioning.

The Ethnic Cleansing of Palestine Feb 08 2021 The book that is providing a storm of controversy, from 'Israel's bravest historian' (John Pilger) Renowned Israeli historian, Ilan Pappé's groundbreaking book revisits the formation of the State of Israel. Between 1947 and

1949, over 400 Palestinian villages were deliberately destroyed, civilians were massacred and around a million men, women, and children were expelled from their homes at gunpoint. Denied for almost six decades, had it happened today it could only have been called "ethnic cleansing". Decisively debunking the myth that the Palestinian population left of their own accord in the course of this war, Ilan Pappé offers impressive archival evidence to demonstrate that, from its very inception, a central plank in Israel's founding ideology was the forcible removal of the indigenous population. Indispensable for anyone interested in the current crisis in the Middle East.

Cruel and Usual Punishment Jul 21 2019 Nonie Darwish lived for thirty years in a majority Muslim nation. Everything about her life—family, sexuality, hygiene, business, banking, contracts, economics, politics, social issues, everything—was dictated by the Islamic law code known as Sharia. But Sharia isn't staying in majority Muslim nations. Darwish now lives in the West and brings a warning; the goal of radical Islam is to bring Sharia law to your country. If that happens, the fabric of Western law and liberty will be ripped in two. Under Sharia law: A woman can be beaten for talking to men who are not her relatives and flogged for not wearing a headscarf. Daughters, sisters, and wives can be legally killed by the men in their family. Non-Muslims can be beheaded, and their Muslim killers will not receive the death penalty. Certain kinds of child molestation are allowed. The husband of a "rebellious" wife can deny her medical care or place her under house arrest. Think it can't

happen? In 2008, England?once the seat of Western liberty and now the home of many Muslim immigrants?declared that Sharia courts in Britain have the force of law. When Muslim populations reach as little as 1 or 2 percent, says Darwish, they begin making demands of the larger community, such as foot-level faucets for washing before praying in public schools, businesses, and airports. "Airports in Kansas City, Phoenix, and Indianapolis are among those who have already installed foot baths for Muslim cab drivers," writes Darwish. These demands test how far Westerners will go in accommodating the Muslim minority. How far will they push? The Organization of the Islamic Conference works to Islamize international human rights laws and apply Sharia "standards" for blasphemy to all nations. The penalty for blasphemy? Death. Weaving personal experience together with extensive documentation and research, Darwish exposes the facts and reveals the global threat posed by Sharia law. Anyone concerned about Western rights and liberties ignores her warning and analysis at their peril.

Once Upon A Time In The Soviet Union Dec 26 2019

The Fifth Horseman Nov 24 2019

Freedom at Midnight Oct 04 2020 Exciting And Readable, Important And Empressive, This Book Is Worthy In Every Way Of The Great Subject It Describe.

Is Paris Burning?. Jun 24 2022

Black Eagles Apr 29 2020 Idealistic DEA agent Kevin Grady locks horns with Jack Lind, a

tough CIA operative, as they find themselves on opposite sides of the violent and deadly world of drug smuggling in Manual Noriega's Panama. Reprint.

The City of Joy Jul 01 2020 They live amid terrible poverty in one of the most crowded places on earth, the sector of Calcutta known as the City of Joy . This is the story of living saints and heroes, those who abandoned affluent and middle-class lives to dedicate themselves to the poor. And it is a testament to the people of the City of Joy. Their tragedies will move you, their faith, generosity, and most of all, boundless love will lift you, bless you, and possibly change your life.

Taking Paris Aug 22 2019 NATIONAL BESTSELLER • From Martin Dugard, the #1 New York Times bestselling coauthor of the Killing series with Bill O'Reilly, comes the spellbinding story of the Allied liberation of Paris from the grip of the Nazis during World War II “Taking Paris does for Paris during World War II what The Splendid and the Vile did for London.”—James Patterson • “Heroes and villains abound. You’ll enjoy this fast-paced book immensely.”—Bill O’Reilly • “Succeeds triumphantly.”—The Washington Post
May 1940: The world is stunned as Hitler's forces invade France with a devastating blitzkrieg aimed at Paris. Within weeks, the French government has collapsed, and the City of Lights, revered for its carefree lifestyle, intellectual freedom, and love of liberty, has fallen under Nazi control—perhaps forever. As the Germans ruthlessly crush all opposition, a patriotic band of Parisians known as the Resistance secretly rise up to fight back. But

these young men and women cannot do it alone. Over 120,000 Parisians die under German occupation. Countless more are tortured in the city's Gestapo prisons and sent to death camps. The longer the Nazis hold the city, the greater the danger its citizens face. As the armies of America and Great Britain prepare to launch the greatest invasion in history, the spies of the Resistance risk all to ensure the Germans are defeated and Paris is once again free. The players holding the fate of Paris in their hands are some of the biggest historical figures of the era: Winston Churchill, Franklin Roosevelt, General George S. Patton, and the exiled French general Charles de Gaulle, headquartered in London's Connaught Hotel. From the fall of Paris in 1940 to the race for Paris in 1944, this riveting, page-turning drama unfolds through their decisions—for better and worse. Taking Paris is history told at a breathtaking pace, a sprawling yet intimate saga of heroism, desire, and personal sacrifice for all that is right.

Our Man in Damascus, Elie Cohn Aug 02 2020

Jerusalem 1948 Jun 19 2019

A Thousand Suns Jul 13 2021 From Mother Teresa and the slums of Calcutta to a legendary matador in the bull rings of Spain to the final days of the British Raj in India, "A Thousand Suns" tells of the extraordinary individuals and events that have shaped the 20th century.

Must You Go? Nov 05 2020 A unique testimony to modern literature's most celebrated and

enduring marriage. 'I first saw Harold across a crowded room, but it was lunchtime, not some enchanted evening, and we did not speak.' When Antonia Fraser met Harold Pinter she was a celebrated biographer and he was Britain's finest playwright. Both were already married - Pinter to the actress Vivien Merchant and Fraser to the politician Hugh Fraser - but their union seemed inevitable from the moment they met: 'I would have found you somehow', Pinter told Fraser. Their relationship flourished until Pinter's death on Christmas Eve 2008 and was a source of delight and inspiration to them both until the very end. Fraser uses her Diaries and her own recollections to tell a touching love story. But this is also a memoir of a partnership between two of the greatest literary talents, with fascinating glimpses into their creativity and their illustrious circle of friends from the literary, political and theatrical world.

O Jerusalem! (Second printing.). Sep 27 2022

Beyond Love Aug 14 2021 Offers a dramatic human, medical, and scientific study of AIDS and its impact that focuses on a home for destitute AIDS victims, run by nuns in the heart of Manhattan

By Way of Deception Mar 29 2020 The first time the Mossad came calling, they wanted Victor Ostrovsky for their assassination unit, the kidon. He turned them down. The next time, he agreed to enter the grueling three-year training program to become a katsa, or intelligence case officer, for the legendary Israeli spy organization. *By Way of Deception* is

the explosive chronicle of his experiences in the Mossad, and of two decades of their frightening and often ruthless covert activities around the world. Penetrating far deeper than the bestselling *Every Spy a Prince*, it is an insider's account of Mossad tactics and exploits. In chilling detail, Ostrovsky asserts that the Mossad refused to share critical knowledge of a planned suicide mission in Beirut, leading to the death of hundreds of U.S. Marines and French troops. He tells how they tracked Yasser Arafat by recruiting his driver and bodyguard; how they withheld information on the whereabouts of American hostages, paving the way for the Iran-Contra scandal; and how their intervention into secret UN negotiations led to the sudden resignation of ambassador Andrew Young and the downfall of his career. *By Way of Deception* describes the shocking scope and depth of the Mossad's influence, disclosing how Jewish communities in the U.S., Europe, and South America are armed and trained by the organization in secret "self-defense" units, and how Mossad agents facilitate the drug trade in order to pay the enormous costs of its far-flung, clandestine operation. And it portrays a network that has grown dangerously out of control, as internal squabbles have led to the escape of terrorists and the pursuit of "policies" completely at odds with the interests of the state of Israel. This document is possibly the most important and controversial book of its kind since *Spycatcher*.
