An Apartment on Uranus Dec 16 2021 A “dissident of the gender-sex binary system” reflects on gender transitioning and political and cultural transitions in technoscientific capitalism. Uranus, the frozen giant, is the coldest planet in the solar system as well as a deity in Greek mythology. It is also the inspiration for uranism, a concept coined by the writer Karl Heinrich Ulrich in 1864 to define the “third sex” and the rights of those who “love differently.” Following Ulrich, Paul B. Preciado dreams of an apartment on Uranus where he might live beyond existing power, gender and racial strictures invented by modernity. “My trans condition is a new form of uranism,” he writes. “I am not a man. I am not a woman. I am not heterosexual. I am not homosexual. I am not bisexual. I am a dissident of the gender-sex binary system. I am the multiplicity of the cosmos trapped in a binary political and epistemological system, shouting in front of you. I am a uranist confined inside the limits of technoscientific capitalism.” This book recounts Preciado's transformation from Beatriz into Paul B., but it is not only an account of gender transitioning. Preciado also considers political, cultural, and sexual transition, reflecting on issues that range from the rise of neo-fascism in Europe to the technological appropriation of the uterus, from the harassment of trans children to the role museums might play in the cultural revolution to come. *An Apartment on Uranus* is a bold, transgressive, and necessary book.

Guido Culture and Italian American Youth Sep 13 2021 From Saturday Night Fever to Jersey Shore, Italian American youth in New York City have appropriated—and been appropriated by—popular American culture. Here, Donald Tricarico investigates how Italian ethnicity has been used to fashion Guido as a distinct youth style that signals inclusion in popular American culture and, simultaneously, the making of a new ethnic subject. Emerging from a wave of Italian immigration after World War II in outer borough neighborhoods such as Bensonhurst, the story of the Guido is an Italian American story, symbolizing the negotiation of a negatively privileged ethnicity within American society. Tricarico takes up questions about the definition of Guido, the role of disco, and the identity politics of Jersey Shore in order to reconsider the significance of Guido for the study of Italian American ethnicity.

The Color Revolution Oct 02 2020 A history of color and commerce from haute couture to automobile showrooms to interior design. When the fashion industry declares that lime green is the new black, or instructs us to “think pink!,” it is not the result of a backroom deal forged by a secretive cabal of fashion journalists, designers, manufacturers, and the editor of Vogue. It is the latest development of a color revolution that has been unfolding for more than a century. In this book, the award-winning historian Regina Lee Blaszczyk traces the relationship of color and commerce, from haute couture to automobile showrooms to interior design, describing the often unrecognized role of the color profession in consumer culture. Blaszczyk examines the evolution of the color profession from 1850 to 1970, telling the stories of innovators who managed the color

cornucopia that modern artificial dyes and pigments made possible. These “color stylists,” “color forecasters,” and “color engineers” helped corporations understand the art of illusion and the psychology of color. Blaszczyk describes the strategic burst of color that took place in the 1920s, when General Motors introduced a bright blue sedan to compete with Ford’s all-black Model T and when housewares became available in a range of brilliant hues. She explains the process of color forecasting—not a conspiracy to manipulate hapless consumers but a careful reading of cultural trends and consumer taste. And she shows how color information flowed from the fashion houses of Paris to textile mills in New Jersey. Today professional colorists are part of design management teams at such global corporations as Hilton, Disney, and Toyota. The Color Revolution tells the history of how colorists help industry capture the hearts and dollars of consumers.

Born Ready Dec 24 2019 "The book opens with a poem by SHERMAN ALEXIE. A new commission by SEAN THOMAS finds him back in his hometown of Omaha, Nebraska, documenting the teen rites of passage that pile up at the end of high school: senior prom, first romances, lazy summer jobs. Then Bruce Weber’s first story in the book: a profile of FATHER GREGORY BOYLE, founder of Homeboy Industries, the pioneering Los Angeles based gang intervention and rehabilitation program. From there All-American travels to Harlem with LISA EISNER, whose commissioned story about Amateur Night at the Apollo becomes a love poem to the vibrant neighborhood. Weber’s second story is a profile of the charming and eccentric MICKY WOLFSON, whose extraordinary collection of furniture, paintings, books, prints, and decorative objects became the Wolfsonian Museum in Miami, Florida. A portfolio of paintings by the Palm Beach society fixture RALPH WOLFE COWAN presents everyone from Doris Duke to Johnny Mathis to Princess Grace in the most ethereal and unexpected light. All-American traces one woman’s personal struggle for justice through exclusive images from the personal archive of EDITH WINDSOR, whose Supreme Court case resulted in the overturning of the Defense of Marriage Act (DOMA) earlier this year. This story also features portraits by Bruce Weber and photographs by POPPY DE VILLENEUVE. All-American Volume Thirteen closes with an in-depth look at the world of professional motocross racing. Bruce Weber traveled this summer to Southwick, Massachusetts together with photographers JOHN SCOTT and MICHAEL JOHN MURPHY to capture stars like Ryan Dungey and James Stewart racing against a host of up-an-comers"--

Don "The Snake" Prudhomme: My Life Beyond the 1320 Aug 12 2021 Don "The Snake" Prudhomme reveals for the first time ever his incredible life and career on and off of the drag strip.

Imagine spending a year with Don "The Snake" Prudhomme, having coffee together and talking about his life, his racing, his friends, and his family. He'd tell you about how he rose from being a high school drop-out who was painting cars to a respected Top Fuel dragster driver and successful businessman. You'd hear how he toured the country with Tommy Ivo and "The Hawaiian" Roland Leong, racing all the legends from "Big Daddy" Don Garlits to "The Golden Greek" [Chris] Karamesines. He'd say how he met Tom McEwen and recall how they became the Snake and the Mongoose, leading to a career in Funny Cars that netted him four championships in a row. He'd talk about the thrill of first wins and owning his own teams but also the struggles of bad seasons, crashes and fires, broken parts, and broken contracts. Along the way, he'd speak about the people in his life, such as engine-builder Keith Black and NHRA president Wally Parks, and those who were killed in the wild and unpredictable sport of nitro racing. It wouldn't be only racing, though. Prudhomme would share lessons he learned about business and life from such varied sources as a neighbor in Granada Hills to Ford GT40 driver Dan Gurney. He also would talk about the importance of family: how his wife, Lynn, and daughter, Donna, changed his world and how finding out about his African-American roots opened his eyes to a culture and inheritance he'd always wanted. This is the experience you'll get in *Don "The Snake" Prudhomme: My Life Beyond the 1320*.

The Manny Aug 24 2022 What's a Park Avenue working mom to do when her troubled son desperately needs a male role model and her husband is a power workaholic? If she's like the gutsy heroine of Holly Peterson's astute new comedy of manners among the ill-mannered elite, she does what every other woman on the block does. She hires herself a "manny." A solid middle-class girl from Middle America, Jamie Whitfield isn't "one of them" but she lives in "the Grid," the wealthiest acre of real estate in Manhattan, where big money and big media collide. And she has most everything they have—a big new apartment, full-time help with her three children, as well as her very own detached Master of the Universe attorney husband. What she doesn't have, however, is a full-time father figure for their struggling nine-year-old son, Dylan. But the rich haven't yet encountered a problem they can't hire someone else to solve. Enter the manny. At first the idea of paying a man to provide a role model for Dylan sounds too crazy to be true. But one look at Peter Bailey is enough to convince Jamie that the idea may not be quite so insane after all. Peter is calm, cool, competent, and so charmingly down-to-earth, he's irresistible. And with the political sex scandal of the decade propelling her career as a news producer into overdrive, and her increasingly erratic husband locked in his study with suspicious files, Jamie is in serious need of some grounding. Peter reminds her of everything she once was, still misses, and underneath all the high-society glitz, still is. But will the new manny in her life put the ground back beneath her feet, or sweep her off them?

Blood+Death Sep 25 2022 The White Sister... The Bony Lady... The Godmother... The Pretty Girl... This is Santa Muerte, personification of death. A veiled skeleton with an unquenchable thirst for destruction, Santa Muerte is Mexico's grim and vengeful goddess. She is worshipped by outcasts and sinners, those for whom the traditional Christian deities of Jesus and the Virgin Mary have no place. For the notorious drug cartels, Santa Muerte is venerated as the saint who does not judge. She provides divine protection against authority and from rival gangs, demanding human sacrifice in return. The cult of Santa Muerte has become inextricably linked to the Mexican cartels over the past decade, resulting in barbaric rituals that have escalated the tide of violence across the streets.

Bodies of cartel members are executed en masse at Santa Muerte shrines, and rumors abound of even worse atrocities in the name of magical protection. This book is the story of unholy alliance, of drug gangs and Santa Muerte, and a galvanic passion for blood and death.

The Millionaire Fastlane Apr 20 2022 10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no

choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.

A Halfway House Sep 01 2020 Houses and gardens, remembered or imagined, dominate Neil Powell's sixth Carcanet collection. They range from a recollection of his grandmother's home in Chelsea to an abandoned, fog-shrouded building on the East Anglian coast; from a magical childhood garden in the Surrey hills to the composer Gerald Finzi's orchard in Hampshire. There is a sequence of sonnets set in the Waveney valley and a series of varied epigrams arranged as an alphabetical catalogue raisonne. As so often in Neil Powell's work, the North Sea laps at the edges of poems lit by the great Suffolk sky.
