**iNTELLYJELLY- Senior\_Apr'21 edition** Jun 17 2019 Once, there was a colony of ants who worked very hard to make an anthill. One day, it rained heavily, and the rainwater entered the anthill. The ants were hopeless and gave up on what they thought was their destiny approaching them. One of the ants looked out of the anthill and noticed a giant tree adjoining the top of the anthill. He called to the other ants to follow him, but they refused. The ant alone crawled up the tree trunk all the way to a leaf. It bit on the leaf, and the leaf lightly floated down to the ground, safely bringing the ant down as well. The clever ant looked back at the ruined anthill and wished that his friends had not given up so soon. This month's iNTELLYJELLY edition is designed to have our children learn the
