While attending a maritime auction in Barcelona, he meets Tánger Soto, a captivating beauty who works for the Naval Museum in Madrid. A woman obsessed with the Dei Gloria, a famed Jesuit ship sunk by pirates in the seventeenth century, she now hopes to find it and unearth its mysteries, rumored

to be buried the bottom of the sea off the southern coast of Spain. Quickly drawn into the search, Coy accompanies Tánger Soto, and a wise old man of the sea whose sailboat will carry the crew into the middle of nowhere in search of a fortune. But more than treasure is rising to the surface—secrets are, too. And from these depths will also come danger, and an adventure no one is prepared for. WRITERS’ ASSOCIATION’S INTERNATIONAL DAGGER For fans of Alan Furst and Carlos Ruiz Zafón comes a haunting and layered thriller filled with history, adventure, suspense, and an unforgettable love story—by the internationally bestselling author Arturo Pérez-Reverte. Cádiz, 1811: The Spanish port city has been surrounded by Napoleon’s army for a year. Their backs to the sea, its residents endure routine bombardments and live in constant fear of a French invasion. And now the bodies of random women have begun to turn up throughout the city—victims of a

shadowy killer. Police Comisario Rogelio Tizón has been assigned the case. Known for his razor-sharp investigation skills—as well as his brutal interrogation methods—Tizón has seen everything. Or so he thought. His inquiry into the murders reveals a surprising pattern: Each victim has been found where a French bomb exploded. Logic tells him to pass it off as coincidence; his instinct tells him otherwise, and he begins to view Cádiz as a living chessboard, with himself and the killer the main players. In a city pushed to the brink, violence and desperation weave together the lives of

a group of unlikely people: the Spanish taxidermist who doubles as a French spy; the young woman who uses her father's mercantile business to run the enemy blockade; the rough-edged corsair who tries to resist her charms; and the brilliant academic furiously trying to perfect the French army's artillery and bring Cádiz to its knees once and for all. And as Napoleon presses closer, Tizón must make his next move on the bomb-scarred chessboard before the killer claims another pawn. Combining fast-paced narrative with scrupulous historical accuracy, this smart, suspenseful tale of

human resilience is Arturo Pérez-Reverte at the height of his talents. Praise for *The Siege* "A genre-bending literary thriller . . . Pirates; serial killings; steamy, unrequited love: Pérez-Reverte imbues the sensational with significance. . . . The troops are weary and ill-nourished and the winter has been long. As Spain sinks ever further into depravity and corruption, the soldiers have not been paid and must survive by whatever ways they can. Mutiny is in the air, but the Spaniards are strong and their famous iron discipline has brought them many victories against the Calvinist forces of the heretics. Spanish coast. On the walls of a tower overlooking the sea, he spends his days painting a huge mural that pays homage to history's classic works of war art and that incorporates a lifetime of disturbing images. One night, an unexpected visitor arrives at Faulques' door and challenges the painter to remember him. As Faulques struggles to recall the face, the man explains that he was the subject of an iconic photo taken by Faulques in a war zone years ago. "And why have you come looking for me?" asks Faulques. The stranger answers, "Because I'm going to kill you." This story transports

Faulques to the time when he crossed continents to capture conflicts on film with his lover, Olvido, at his side. Until she walked into his life, Faulques muses, he had believed he would survive both war and women. As the tense dialogue between Faulques and his visitor continues, the stakes grow ever higher. What they are grappling with quickly proves to be not just Faulques' fate but the very nature of human love and cruelty itself. Arturo Pérez-Reverte perfectly balances the shadows of the heart with the chaos of war in this stunning composition on morality. Superb and tautly written,

the divine love for all human beings and the chances of salvation that are available to them. Farewell to the Sea
Dec 26 2019 "...a passionate indictment of tyranny." -- The New Yorker
Twice confiscated by Cuban authorities and rewritten from memory, this is Arenas' most celebrated novel
In this brilliant, apocalyptic vision of Castro's Cuba, we meet a young couple who leave the dreariness of Havana and spend six days at a small seaside retreat, where they hope to recapture the desire and carefree spirit that once united them. In a stunning juxtaposition of narrative voices, the wife recounts the grim reality of her marriage, the demands of motherhood, and

her loss of freedom, innocence, and hope; while her husband, a disillusioned poet and disenchanted revolutionary, recalls his political struggles and laments the artistic and homosexual freedom that has been denied him. Rich in hallucination, myth and fantasy, *Farewell to the Sea* is a fierce and unforgettable work that speaks for the entire human condition.

Arturo Pérez-Reverte May 23 2022 The writings of Arturo Pérez-Reverte, one of Spain's most renowned contemporary authors, have been described as a minefield. This monograph examines the complexities behind the narrative technique employed in creating such a minefield, including an analysis of the role played by both male and female characters, the relevance of the past as a motif, and aspects of the role of storytelling in creating mystery

where none should exist. Both Revertian novels and journalistic writing are seen to be part of an overall game which is played between their author and his readers. Film, too, forms part of the material reviewed as, though Pérez-Reverte is not a script writer, many films have been based on his novels. The text-centred analysis concludes that the themes of interest in all Revertian output revolve around two main areas: the significance of the past, whether historical, cultural, or literary, and the role of the written word in communicating, in rescuing and in challenging versions of that

past in order to combat what Pérez-Reverte terms 'dismemory'. ANNE L. WALSH lectures in Hispanic Studies at University College, Cork.

Cádiz, 1811. While the city is under siege from the marauding French army, an even greater menace is lurking within the city walls: a serial killer is on the loose, flaying young women to death. Each of these murders takes place near where a French bomb has just fallen. In order to find the murderer, police commissioner Rogelio Tizon begins to perceive the city as a vast chessboard as he tries to predict his unknown

opponent's next deadly move. In the claustrophobic atmosphere of the besieged town, an heiress, an unscrupulous corsair captain, a taxidermist who is also a spy and a hardened soldier begin to cross paths, and behind them all the figure of Tizon is getting closer to deciphering the lethal pattern behind the murders... With all the intrigue and romance of Pérez-Reverte's bestsellers, *THE DUMAS CLUB* and *THE FLANDERS PANEL*, *THE SIEGE* is the story of a city and a people who will never be the same again.
